This action is taken with the concurrence of the Township.

As of December 31, 1994, the responsibility for maintenance, construction and reconstruction of the portions of highways described above reverts to the Township. These portions of highways will not be placed on the Township's mileage system for Liquid Fuels Tax Reimbursement under Act 655 of 1956, for April 1, 1995; however, beginning on April 1, 1996, annual payments will be made in the amount of \$6,150.00 under PA C.S. 9511(g). This amount is based on the \$2500 per lineal mile payable under provisions of the Department's Highway Transfer Program.

The Engineering District 2-0 Highway Turnback Coordinator will provide the Township with copies of the straight-line diagrams, all available right-of-way information, and will be happy to furnish any personal assistance needed.

NOTE: It is important that you provide a copy of this legal transfer of ownership to the Office in the County Courthouse which is responsible for Municipal Road Dockets and that you furnish the Department, through the Engineering District, with proof that the transfer has been recorded in the County Courthouse. The Department will not begin making the annual payments under 75 PA C.S. 9511(g) unless and until it receives proof that the transfer has been duly recorded in the Courthouse.

The Department of Transportation appreciates your cooperation.

Sincerely,

Cheryl Y. Spicer
Deputy Secretary
