To the Honorable Allison O. Smith,

President Judge of the Court of Quarter Sessions  
Of the County of Clearfield,

The undersigned Viewers,--appointed by your Honorable Court by the attached Order to view and vacate that portion of a Public Township Road, located in Geulich Township, Clearfield County aforesaid, beginning at the point of intersection with the Township Road leading from Ramey Borough to Ginter Settlement at the Joseph McCullough Farm to the post where said Road crosses the Township line between Woodward and Geulich Townships, near the William Earle Farm,--respectfully report:

That in pursuance of our appointment, as aforesaid, we gave Notice by posting, for a period of at least ten (10) days, four (4) printed hand-bills at the most public places in said Geulich Township, and along the line of the Road to be vacated; that we also caused a copy of said View to be made to the County Commissioners of Clearfield County, as well as to each of the Supervisors of Gulich Township.

That in pursuance of said Notice, and in accordance therewith, we met at the Ginter Post Office, in Geulich Township, on the sixteenth (16th) day of January, A. D. 1905, and after each of us having been duly sworn according to law, we proceeded to view that portion of the Township Road hereinbefore described and set forth in the "Order to View" hereto attached. That the Supervisors of Geulich Township, viz: Jacob Copenhaver and William M. Korman, were present and in attendance upon said View. That after going over the entire line of said Road, as prayed for to be vacated, we unanimously decided and agreed that said portion of said Public Road had

been useless and burdensome upon the Township to keep in repairs. That the necessity, which called for said Road as originally laid out, had long since ceased to exist. That as a highway, the same has become useless.

We, therefore, Report that we have vacated that certain portion of the aforesaid Road set forth in the plot or draft hereto attached, viz:

Beginning at the point of intersection with the Township Road leading from Ramey Borough to Ginter Settlement at the Joseph McCullough Farm, thence North nine (9) degrees, East three hundred and ninety (390) feet to a point; thence North sixteen and one-half ( $16\frac{1}{2}$ ) degrees, East two hundred and eight (208) feet to a point; thence North twenty (20) degrees, East five hundred (500) feet to a point; thence North thirty-eight (38) degrees, East one hundred and eighty-five (185) feet to a point; thence North fifty-two (52) degrees, East one thousand (1,000) feet to a point; thence North ten (10) degrees, East two hundred and sixty-four (264) feet to a point; thence North nine (9) degrees, East three hundred (300) feet to a point; thence North six (6) degrees, East two hundred and ninety-eight (298) feet to a point; thence North thirty-one (31) degrees, East three hundred (300) feet to a point; thence North forty-four (44) degrees, East four hundred and eleven (411) feet to a point; thence North sixty (60) degrees, East three hundred (300) feet to a point; thence North sixty (60) degrees, East three hundred and twelve (312) feet to a point; thence North forty-eight (48) degrees, East three hundred (300) feet to a point; thence North thirty (30) degrees, East two hundred and sixty-six (266) feet to a point; thence North twenty (20) degrees, East three hundred (300)

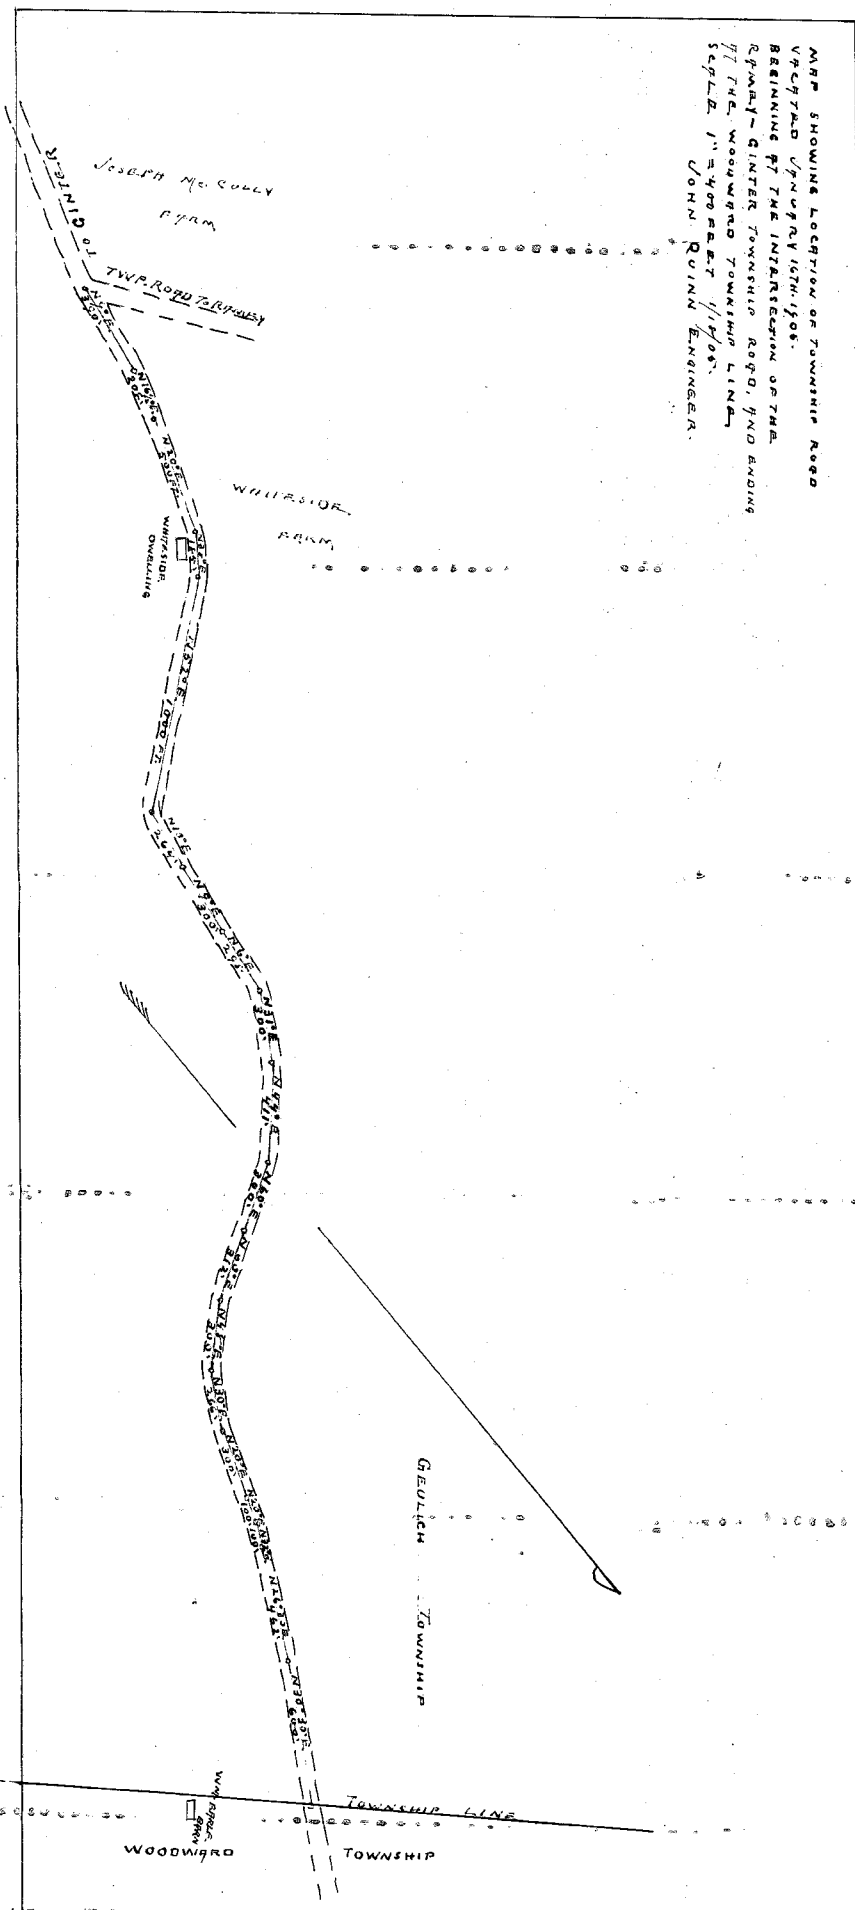

feet to a point; thence North twenty (20) degrees, East one hundred (100) feet to a point; thence North thirty-two (32) degrees, East one hundred (100) feet to a point; thence North twenty-six (26) degrees, thirty (30) minutes, East four hundred and sixty-two (462) feet to a point; thence North thirty (30) degrees, thirty (30) minutes, East six hundred (600) feet to post, where said Road crosses the Township line between Woodward and Gaultich Townships, near the William Barle Farm.
