County Commission
By W. H. Brown

TO THE HONORABLE ALLISON O. SMITH, PRESIDENT JUDGE OF THE COURT
OF QUARTER SESSIONS OF CLEARFIELD COUNTY, PENNSYLVANIA.

We the undersigned Viewers for Public Road herein mentioned respectfully report that we gave good and lawful notice of said view to the County Commissioners of Clearfield County, to the Supervisors of Cooper Township, to the property holders along route of said view, and notices were posted in the vicinity of view, all according to law. Copies of said notices with signatures are herewith attached.

On Monday, October 23rd. A.D., 1905, your Viewers met as appointed and being severally affirmed, proceeded to receive testimony and to view for Public Road as herein mentioned.

Your Viewers would respectfully report that:-

1st. This proposed road seems desirable because a number of citizens living along its proposed location have no convenient public outlet.

2nd. It provides a convenient and desirable change of location for the proposed new state road to be built in this section. The location of the present public road on the opposite side of the ravine, while necessary in its location for the convenience of citizens living thereon, is undesirable for much traffic because of the travel being interfered with by several railroad crossings and a trolley line.

3rd. No damages are asked for necessary roadway and Mr. John W. Dahl, one of the property holders benefitted has agreed to assist without cost in the drainage of swampy portions of the proposed road.

4th. All township officials and citizens present at time of view were in favor of this road being granted.

Your viewers would therefore respectfully recommend that this road be granted beginning at a point in the bend of the present Public Road near the lower Winburne School House and running thence N. 17-35 W. 1129.5 ft. to a point in Terrace Avenue, Thence by said Avenue N. 3-00 E. 820.5 ft. to a point on the N.Y.C. & H.R.R.R. crossing and junction with present public road and including a right of way of 16.5 ft. on each side of this given centre line.

A plot or draft of this proposed road and location is attached herewith and made a part of this report.

WITNESS our hands this day of October, A.D. 1905.
