To The Honorable A. O. Smith President Judge of The
Court of Quarter Sessions of Clearfield County, we the
undersigned viewers appointed by the within order of Court
to view and lay out the road therein mentioned respectfully
report that we gave good and lawful notice of the
said road view and all being present at view and hav-
ing been severally sworn or affirmed we viewed the
proposed road and find that the present roads between the
points named do not exceed five degrees in grade and ~~and~~
can be reduced to four degrees by a small amount of filling
and we recommend that the supervisors of Graham
Twp fill from Bridge to top of hill at Grahamston
road to a regular grade between said points, we fur-
ther report that if the road between the within named
points is laid out the present road should be vacated
to avoid so much road and because we had no power
to vacate, and because there further, is no occasion
for the said road in our opinion, we therefore report
against laying out the said road, Witness our
hands this 2nd day of May A D 1906
