IN THE COURTS OF QUARTER SESSIONS OF CLEARFIELD
COUNTY, PENNSYLVANIA.

The petition of the Under signed Citizens of Union Township, in said County respectfully represent :-

That a road has long since been laid out and in public use from Home Camp to a point intersecting the road laid from Rockton to DuBois. That a portion of said road is so located as to be in part between Sandy Creek and the Race at the Saw mill of John Smith and requires the maintenance of two bridges by reason thereof.

That a new bridge is now about to be constructed over Sandy Creek on the road from Rockton to DuBois, and the road to Home Camp can be so re-constructed as to be put upon a much better location by removing said road from between the Creek and Race and do away with the need for the said two bridges.

That a portion of said road to Home Camp should be vacated and supplied, to wit; that portion thereof beginning at the intersection of said road with the road from Rockton to DuBois and thence to a point in said road at the house of Peter Shaffer.

They therefore pray that viewers may be appointed to vacate and supply the said portion of said road as provided by law. The Supervisors of said Township favoring said change hereby waive notice of the presentation of this petition.
