

No. 12 Sept Term, 190

Public Road

Versus

Bell Zop

X

To the Hon. Allison O. Smith, President Judge of the Court of Quarter Sessions of Clearfield County.

The petition of the undersigned inhabitants of Bell Township in said county respectfully represents;

That your petitioners labor under great inconvenience for want of a public road or highway, to lead from a point on the road from McGees Mills to Smithport, where the same intersects with the Sunderlin road on the Blake Sunderlin farm, to a point on the public road in Indiana County at the village of Sidney. That proceedings are being instituted in Indiana County for the appointment of viewers to view and lay out the part of said road in said county, so that the same will connect at the county line with the part in Clearfield County.

Your petitioners therefore pray the court to appoint proper persons to view and lay out said road; said viewers to meet with the viewers appointed in Indiana County and to lay out the part of said road in Clearfield County, so that the same will connect at the county line with the part of said road in Indiana County. And they will ever pray etc.
