To The Honorable Allison O. Smith Judge
of the Court of Quarter Sessions of Clearfield County:-

We the undersigned Viewers appointed by
your Honor to view the location of a bridge
across Pine Run in Chest Township, Clearfield
County as set forth in attached order, met as
per notices duly served and posted, and
having been severally affirmed according to
law, did view the same, and find that
a public bridge at this point is a necessity,
being a point where a new road has been
opened to substitute old road washed away
by Chest Creek, crosses Pine Run. We therefore
recommend the construction of a good substantial
reinforced concrete bridge at this place, the
same to be erected at the cost and expense
of the County of Clearfield. The approaches to be filled
by the Township of Chest. At 136 ft from Road leading from
Five Points to Ridge on Road opened under No 5 Sept 1909. 30 ft span
between abutments. 16 ft Roadway. 5 1/2 ft clearance above low water mark.
See draft attached, being part of this report.

Respectfully submitted this 24th day of June 1910
