Whereas, question has been raised whether the within
confirmation absolute on terms and conditions is a proper con-
firmation; and

Whereas further, in case the within mentioned bridge is
determined by the County Commissioners not to be a proper case
for the erection of a County bridge but of an appropriation
bridge, then the Act of Assembly passed the 5th day of March,
1906, requiring approval by the Court of the contract and bond,
does not in terms apply.

Now, therefore, this 22nd day of March, 1912, the terms
and conditions of the within confirmation absolute are hereby
withdrawn and the said bridge is confirmed absolutely.

Now, February Sessions, 1912, the within Report of Viewers and approval of the Grand Jury as to the necessity of the bridge herein mentioned, and also of the fact that said bridge would be too expensive for Knox Township to bear alone, is hereby confirmed absolutely on the following terms and conditions:

1. That said bridge shall not be entered of record as a County bridge but as an appropriation bridge, under the Act of 1887, as amended by the Act of 1895.

2. That in order to determine the amount of appropriation which should be made by Clearfield County Commissioners towards the erection of said bridge, the said County Commissioners shall first employ an engineer who shall make plans and specifications for the same, to be reported back to the said Commissioners and to the Court, together with a careful estimate of the cost thereof, just as though the said bridge were to be built wholly by the County.

3. That after the said plans, specifications and estimates have been made, the proper amount shall be agreed upon by the County Commissioners in conjunction with the Supervisors of said Knox Township and that agreement submitted to the Court for final approval.

4. That thereafter the said bridge shall be built only after a public letting, to be joined in by the said County Commissioners and Supervisors of Knox Township, which bids shall also be submitted for the approval of the Court.

whereupon the Court upon due consideration had of the premises, do order and appoint Harry S. Reas & Jacob Furge, and Peter Hoyer

who after being respectively sworn or affirmed to perform their duties impartially and to the best of their judgment, are to view the place proposed for the said bridge, and if they or any two of them, view the same, and any two of the actual viewers agree that there is occasion for such a bridge, and that the erecting of the said bridge would require more expense than it would be reasonable the said townships should bear, they are to make report accordingly;
