ATTORNEY AT LAW AND  
NOTARY PUBLIC  
DUBOIS, PA.

Whereas, a Petition on the part of divers citizens of Clearfield County, has been presented to the Judge of the Court of Quarter Sessions of this County, praying for the appointment of Viewers to view and lay out a Public Road in Brady Township, beginning at the Lyons School House and ending near the G. B. Jacob Farm at the Buffalo, Rochester & Pittsburgh railroad crossing, and in pursuance of the said petition, viewers have been appointed for the purpose recited in said petition, and,

Whereas, there is now a good Township road connecting those two points and that a new road would necessitate the building of several culverts or bridges and side cutting and filling and entail the expense of several thousand dollars to Brady Township without any real necessity therefor, now

We the citizens of the said Township of Brady whose names are appended hereto, respectfully pray the Viewers to make return of no necessity for such road to the Court.
