IN THE COURT OF QUARTER SESSIONS OF THE PEACE FOR THE COUNTY
OF CLEARFIELD.

To the Honorable the President Judge of said Court:

The petition of the undersigned supervisors and citizens
of the township of Boggs, County of Clearfield and State of
Pennsylvania, respectfully represents:

That a certain public road leading from the Lawrence town-
ship line at Clearfield Creek near the Dimeling station of the
New York Central railroad to the line of Knox township in said
county of Clearfield and thence on to Turkey Hill in the township
of Knox, has become useless and burdensome to the township of
Boggs to keep and maintain; that said road does not accommodate
any number of people and is very seldom used and a bridge lately
existing on said road between the township of Lawrence and the
township of Boggs across little Clearfield Creek has broken down
and gone out, and to replace said bridge and put said road in
repair would cost the township of Boggs an unreasonable sum of
money;

They therefore respectfully pray for the vacation of so
much of said road as is in the township of Boggs aforesaid as
being useless and burdensome to the said township.

And they will ever pray, etc.
