To the Honorable Singleton Bell, President Judge of the Court of Quarter Sessions of the Peace, in and for the County of Clearfield:

The petition of the subscribers, inhabitants of the counties of Clearfield and Centre, respectfully represents:

That a bridge is much wanted over Moshannon Creek, being the line of said counties, at the place where the public highway to Chesterhill Borough crosses the said Creek, in the Borough of Chesterhill, in Clearfield county, and in the Borough of Philipsburg in Centre County, said highway being what is known as Pine Street, in the Borough of Philipsburg, and Pine Street, extended, in the Borough of Chesterhill, Clearfield County. And that theerection of such bridge will require more expense than it is reasonable the said boroughs shoula bear; your petitioners, therefore, pray the Court to appoint proper persons to view the premises, and to take such order on the subject, as is required and directed by the Acts of Assembly in such case made and provided. And they will ever pray, etc.

My dear Hartswick:

I herewith enclose you petition for bridge for county line, which you handed to me, and upon which you will now find an affidavit which I omitted to make part of the petition. I regret to be unable to be present on Monday, and trust you will have the Commissioners approve the matter at least sufficiently to warrant the Court to make an order for viewers. The instrument which I gave you today wherein Chester Hill Boro agrees to open Pine Street, in the event of the authorization of this bridge, I trust will overcome any opposition the Commissioners may have had against a bridge at this point. This bridge is as largely used as any bridge in Philipsburg, and is an absolute necessity. Should it happen that the Court and the Commissioners are not well disposed towards the matter, please have the subject laid over until the following Monday, when I can be present.

Z/J.

Yours truly,
Geo. W. Zeigler

To the Court , the Viewers and Commissioners of the Counties
of Clearfield and Centre:

Gentlemen:

We, the undersigned, being the Chief Burgess and all
of the members of the Chester Hill Borough Council, do
hereby certify: That immediately upon the authorization of
a bridge on the county line at the point where Pine Street
in the Borough of Philipsburg crosses Moshannon Creek and
after crossing said creek is extended into Chester Hill Borough
and now open in Chester Hill Borough only from said creek to
the N. Y. C. Railroad right of way, the Burgess and Council
of said Chester Hill Borough will proceed to open said Pine
Street in said Borough across the N. Y. C. R. R. right of
way and into and through the populated portion of said borough.

At a Court of Quarter Sessions of the Peace of the county of Clearfield
Pennsylvania, held at Clearfield, in and for said county on the

27 day of October, A. D. 19 16

before Judge of said Court, upon a petition of sundry inhabitants of the ~~Town~~
borc's of Chester Hill and

xthip of Philipsburg in said County, setting forth

that a bridge is much wanted over Moshannon Creek

being the line of said counties, at the place where the public
highway to Chester hill Borough crosses the said Creek, in the
Borough of Chesterhill, in Clearfield county, and in the Borough
of Philipsburg in Centre County, said high way being what is known
as Pien street, in the Borough of Philipsburg, and Pine Street
extended, in the Borough of Chesterhill, Clearfield County.

And that ther erection of such bridge will require more expense
than it is resonable the said boroughs should bear; your petitioners
therefore, pray the Court to appoint porper persons to view the

Return of Viewers.

To the Honorable the Judge of the Court of Quarter Sessions of the Peace in and for the County of Clearfield, Pa.

We the undersigned viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court, and have filed their oaths of office in the Court of Common Pleas of Clearfield County, Pa., beg leave to report as follows:

That notice of the time of the view was duly served according to law upon the Commissioners of Clearfield County and on ~~the Board of Supervisors of~~ ~~President of the Council of the Borough of Chester Hill~~ ~~and that three notices thereof were posted along the~~ ~~near the~~ ~~the Chester Hill side of~~ ~~the bridge~~ ~~location of said bridge, giving notice that the view would be held on Thursday~~

~~the 16th day of November A. D. 1916, at nine (9) and the Special order o'clock A. M. And that the public hearing as required by the Act of Assembly ~~and the Presiding Officer of Court. Office of George W. Zeigler Esq in Philipsburg Pa on~~ would be held in the ~~Philipsburg~~ ~~Clearfield County~~ ~~Clearfield Pa~~~~

~~the sixteenth day of November A. D. 1916, at one (1) o'clock P. M.~~

And that the said viewers met at ~~the~~ ~~street~~ proposed location of said bridge, where the public ~~the~~ ~~leading from~~ ~~Philipsburg to the Chester Hill~~

~~Borough~~ ~~in Clearfield County Pa on~~

~~the 16th day of November A. D. 1916 at nine o'clock A. M. and that there were present at the view Theodore Dornblazer Chief Burgess of Chester Hill Borough and Edgar Shontz and at the public hearing held as aforesaid.~~

~~the following witnesses were called and examined to wit: Frank Weber, A. M. Pearce, Theodore Dornblazer, A. E. Curtis, Edgar Shontz, R. H. Zerby, J. O. Read, George Richards, James Howard, F. J. Green, J. F. Kephart, C. U. Hoffer, G. C. Irish, George W. Fratton, & George R. Mott parties interested in said bridge.~~

And that the said viewers all having been present at the view and after having made said view do not agree that there is a necessity for said bridge.

Borough of Chester Hill. The New York Central Railroad Company maintains a freight station in said Borough of Chester Hill from which station all freight consigned to Philipsburg Borough, Chester Hill Borough, South Philipsburg Borough, Rush Township, Centre County and Decatur Township, Clearfield County is distributed. All persons having to do with the transportation of such freight testified without exception that any other route than the route of the proposed bridge would not only be exceedingly inconvenient for them but would greatly increase their expense, which in this day, we well understand will be borne by the individual consumer of their goods.

The Council of the Borough of Chester Hill have all signed a statement which was produced to the joint meeting of the viewers stating and declaring that if the relief sought in the way of a bridge is granted that they will see that the street now opened is extended so as to connect with some other throughfare already designated as a public road. Surely this Board is justified in assuming that these men of affairs in Chester Hill Borough are sincere and will do as they say they will do. Of this, the Board appointed by your Honorable Court has no doubt whatever. Even though this were not a fact the street is opened to the tracks of the New York Central Railroad and sufficient necessity has been shown for the bridge.

The Board therefore recommends that an intercounty bridge be built at the point designated in the order of the following nature and character:- Iron super-structure sixteen feet wide sixty feet in length concrete abutments with wing walls the super-structure to have a carrying strength sufficient to for the crossing of a steam roller at a cost of about thirty-five hundred dollars.

The Board further finds that the cost and expense of building a bridge at this point would be greater than the Boroughs of Chester Hill and Philipsburg could bear and that such would be imposing an undue burden upon them.

The Board desires to note in conclusion that Messrs Heney, Spenser and Dale, County Commissioners of Clearfield County were present at the hearing.

WITNESS our hands and seals this 16th day of November A.D. 1916.

Bratten and George R. Mock, all of whom were duly sworn and testified before the joint meeting of the Centre and Clearfield County Viewers.

After the view and hearing above mentioned, the undersigned, the majority of your Board of Viewers hereon, do agree that there is occasion for a county (inter-county) bridge as desired by the petitioners, and that the same is necessary. It appears to the viewers that none of the inter-county bridges now existent in the vicinity of the location sought by the petition are in any manner adequate for the accomodation of the travel between the counties of Centre and Clearfield and in view of the great natural resources of Clearfield County lying adjacent to Centre County, as well as in view of the fact that all the residents of Chester Hill Borough, and Decatur Township, in Clearfield County are dependent upon Centre County for aid and assistance in the supply of food stuffs, doctor's attention, burial, and all of the other essentials of society, we feel that our attitude would be exceedingly reactionary were we not to recommend an inter-county bridge at this point.

Much has been made of the fact that from the testimony offered to the viewers there has been nothing to show that the Borough of Chester Hill has never by ordinance dedicated a street at or near the proposed bridge. The testimony does show however that such a street has been dedicated by grant and has been opened and used for public travel for many years and that the Borough of Chester Hill has regarded the same as a street and has done work thereon. There can be no doubt but that the street known as Pine Street, in the Borough of Philipsburg, is opened as a public street in the Borough of Chester Hill, at least as far as the tracks of the New York Central Railroad, a considerable distance from the end of the proposed bridge and along a route passing some of the largest and most prosperous places of business in the said

TO:- THE HONORABLE the Judge of the Court of Quarter Sessions of the Peas in and for the County of Clearfield Pa;

We the undersigned viewers, duly appointed by your Honorable Court by the attached order; from and among the County Board of Viewers, who have been duly appointed by your Honorable Court, and have filed their Oaths of office in the Court of Common Pleas of Clearfield County Pa, to act in connection with viewers appointed by the Court of Quarter Sessions of Centre County Pa; to jointly view and report on the necessity of an inter County Bridge across Moshannon Creek between the Boroughs of Philipsburg in Centre County and Chester Hill in Clearfield County Pa; report as follows;

That notice of the time of the view was duly served according to law upon the Commissioners of Clearfield and Centre Counties and on ~~the~~ Theodore Dornblacer the chief Burgess and H, Sweitzer President of the Borough Council of the borough of Chester Hill and that three notices thereof were posted up, one at the *End* of the proposed bridge and the others along the roadway leading to the said proposed bridge in Chester Hill on the Clearfield County side of the said creek and similar notices were posted up in Philipsburg on the Centre ^{County} side of said creek, as also served on the chief Burgess and the President of the borough Council of the Borough of Philipsburg by the viewers of the two counties, giving notice that the view would be held on Thursday the sixteenth (16) day of November A D 1916 at nine (9) oclock A M. And that the public hearing as required by the Act of Assembly and the special order of ~~the~~ the said Courts of Centre and Clearfield counties would be held in the office of George W Zeigler Esq in Philipsburg Pa on the same day of the view to wit; on Thursday the sixteenth (16) day of November A. D. 1916 at one oclock P. M.

And that the said viewers, to wit; M Ward Fleming, Esq, H. P. Harris and William M Grove of Centre County and A. G. Kramer E. D. Billotte and J. S. Michaels of Clearfield County, met at the proposed location of said bridge, where the public street in Philipsburg known as Pine street, crosses Moshannon Creek to Chester Hill Borough in Clearfield County on the day set for the view to wit; on Thursday the sixteenth (16th) day of November 1916 at nine

(9) o'clock A. M. and made said view, and that there were present at the view in addition to the viewers; Theodore Dornblaser Chief Burgess of Chester Hill Borough and Edgar Shontz. And at the public hearing, held on the same day of the view at the office of George W Zeigler Esq in Philipsburg Pa at one o'clock (1) P. M. when the following witnesses were called, sworn and examined, to wit; Frank Weber, A. M. Pearce, Theodore Dornblaser, A.B. Curtis, Edgar Shontz, R. H. Zerby, J. O. Read, George Richards, James Howard, F. J. Green. J. F Kephart, G. U, Hogger, G. C. Irish, George W Bratton and George R Mott. parties interested in said bridge. And that the said viewers, all having been present at the view and hearing; and after having made said view and hearing do not agree with the viewers of Centre County as to the necessity of said bridge. The viewers of Centre County consider that an inter county ~~new~~ bridge (as appears by a copy of their report hereto attached), necessary at that point, while the viewers from Clearfield County are not convinced of the necessity of a bridge at that point for the following reasons.

FIRST: Because there is no public road or laid out street on the Clearfield County side of the proposed new bridge, as required by law, for the erection of an inter county bridge, and therefore no access to the said bridge except over the right of way of the New York Central Railroad, which may be closed up at any time by the said Railroad Company.

SECOND: Because they already have ~~two~~ ^{two} substantial bridges across said creek between said boroughs, a concrete bridge on the State road leading from Osceola through Chester Hill into Philipsburg; and the other, an inter county Iron bridge on Presqueile street the main street thoroughfare between said two boroughs which runs right past both railroad stations of the N. Y. C. and the Penna Railroads which is only about six hundred feet further up the creek than the proposed new inter county bridge and the concrete bridge is only about four hundred feet above the said Iron bridge on Presqueile street so that in the opinion of the viewers said boroughs are already well supplied with bridges sufficient

to supply their wants and the wants of the traveling public; and for the further reason that there is no way to get into said proposed bridge except right past the end of the inter County Iron bridge on Presqueile Street and from there right over the right of way of the New York Central Railroad Company some six hundred feet to the proposed location of the new bridge, which right of way may be closed up at any time by the said Railroad Company and the travel to the proposed new bridge if build be entirely shut off; besides the end of the proposed bridge on the Philipsburg side will if build be right up against the tracts of the Pennsylvania Railroad and will therefore make a dangerous grade crossing:-

The viewers are therefore of the opinion that there is not sufficient reason or necessity for said bridge to warrant them in reporting in favor of an inter County Bridge and therefore report against the same
