REMONSTRANCE.

To the Hon. the Judge of the court of quarter sessions of the peace, at Clearfield
Whereas your remonstrants are aware that a petition and view for a public
road or highway to lead from or beginning in Coalport borough, at a point on the
public road leading from Coalport to Utahville, and Wynton, in the borough of
Coalport, about 50 feet South of Blain Run Bridge, at or near residence of Frank
Flickinger in said borough, to run thence through small portion of said borough
and the township of Beccaria, to a point in the public road from Utahville to
Blain City, about 100 feet South of crossing of P & N.W.R.R. in said Twp.

Whereas the Hon Court has appointed the necessary viewars to view and lo-
cate said road,.....

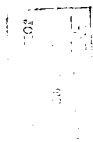

For which the inhabitants and tax payers of Beccaria township, solemnly pro-
test against the building and construction of said road, or its confirmation by
the Hon. Court, for the following good and sufficient reasons, first, that the said
township financially is not able to meet the expense, and burden of the construc-
tion of said proposed road, second that there is at present five public roads
leading and beginning at a radius of $\frac{1}{2}$ of a mile as starting points to Utahville
viz, Three from Coalport, Boro. and two from Blain City, all leading to the one point
and all to be kept up by the taxables of Beccaria Twp. Third that the proposed
road will cost a large sum of money to build, much of it over swampy ground.
Therefore your remonstrants pray your Court, not to grant the request, and they
will ever pray.

REMONSTRANCE.

To the Hon. the Judge of the court of quarter sessions of the peace, of Clearfield County.

Whereas your remonstrants are aware that a petition and view for a public road or highway to lead from or beginning in Coalport borough, at a point on the public road leading from Coalport to Utahville, and Winton, in the borough of Coalport, about 50 feet South of Blain Run Bridge, at or near residence of Frank Wlickinger in said borough, to run thence through small portion of said borough and the township of Beccaria, to a point in the public road from Utahville to Blain City, about 100 feet South of crossing of P & N.W.R.R. in said Twp.

Whereas the Hon. Court has appointed the necessary viewers to view and locate said road,

For which the inhabitants and tax payers of Beccaria township, solemnly protest against the building and construction of said road, or its confirmation by the Hon. Court, for the following good and sufficient reasons. First that the said township financially is not able to meet the expenses, and burden of the construction of said proposed road, Second that there is at present five public roads leading and beginning at a radius of $\frac{1}{4}$ of a mile as starting points to Utahville. Viz; Three from Coalport, Boro. and two from Blain City, all leading to the one point and all to be kept up by the taxables of Beccaria Twp. Third that the proposed road will cost a large sum of money to build, much of it over swampy ground. Therefore your remonstrants pray your Court, not to grant the request, and they will ever pray.
