Little Clfd. Creek

CHARGE

X

Walter Welch,
District Attorney.

Clearfield County, ss:

At a Court of Quarter Sessions of the Peace of the county of Clearfield
Pennsylvania, held at Clearfield, in and for said county on the

27 day of May, A. D. 1917

before Judge of said Court, upon a petition of sundry inhabitants of the town-
ship of Pike and Knox in said County, setting forth

that a bridge is much needed over Little

Clearfield Creek. at the place where the public highway leading

from O'Shanter to Turkey Hill crosses the said Creek, the said

Creek forming the boundary line between Pike and Knox Township;

that heretofore an inter township bridge has been built and used

over said Creek at the expense jointly of the two townships; that

said bridge has become delapidated and dangerous and it is necessary

to erect a new bridge to take the place of existing structure, and

petitioners aver that the expense of erecting said bridge would be more

heavy and burdensome than it is reasonable that said townships or

either township should bear and should receive County aid.

and therefore praying the Court to appoint proper persons to view and lay out the same according to law,

where upon the Court upon due consideration had of the premises do order and appoint A. G. Kramer

E. D. Pillotte, and J. S. Michaels

who after being respectively sworn or affirmed to perform their duties impartially and to the best of their judgment, are

to view the place proposed for the said bridge, and if they or any two of them, view the same, and any

two of the actual viewers agree that there is occasion for such a bridge, and that the erecting of the said bridge

would require more expense than it would be reasonable the said townships should bear, they are to make report accord-

ingly:

and a map or plot thereof to be made, which shall accompany said report; the report aforesaid to be made to the next
term of the Court of Quarter Sessions to be held for the said county of Clearfield.

BY THE COURT.

John S. Moore

CLERK.

Return of Viewers.

To the Honorable the Judge of the Court of Quarter Sessions of the Peace in and for the County of Clearfield, Pa.

We the undersigned viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court, and have filed their oaths of office in the Court of Common Pleas of Clearfield County, Pa., beg leave to report as follows:

That notice of the time of the view was duly served according to law upon the Commissioners of Clearfield County and on each member of the Board of Supervisors of Knox and Pike Township, and that Four notices thereof were posted along the public road at and near the location of said bridge, giving notice that the view would be held on Wednesday the twentieth day of June A. D. 1917, at one thirty o'clock P. M. And that the public hearing as required by the Act of Assembly and the Rules of Court would be held ~~on Wednesday the 20th day of June~~ in the Court House in Clearfield, Pa., on Thursday the twenty first day of June A. D. 1917, at nine o'clock A. M.

And that the said viewers met at the site or proposed location of said bridge, where the public road leading from O'Shanter in Lawrence Township to the Turkey Hill in Knox Township crosses Little Clearfield Creek the boundary line between said townships on wednesday the 20th day of June A. D. 1917 at 1.30 o'clock P. M. and that there were present at the view M. C. OWnes Supervisor, and T. A. Woods, Grant Cathcart, and Parley, S. Stott of Knox Township and O, P. Carr, and Charles Lawhead two of the Supervisors and Harvey, A. Carr, and John, Black of Pike Township

parties interested in said bridge.

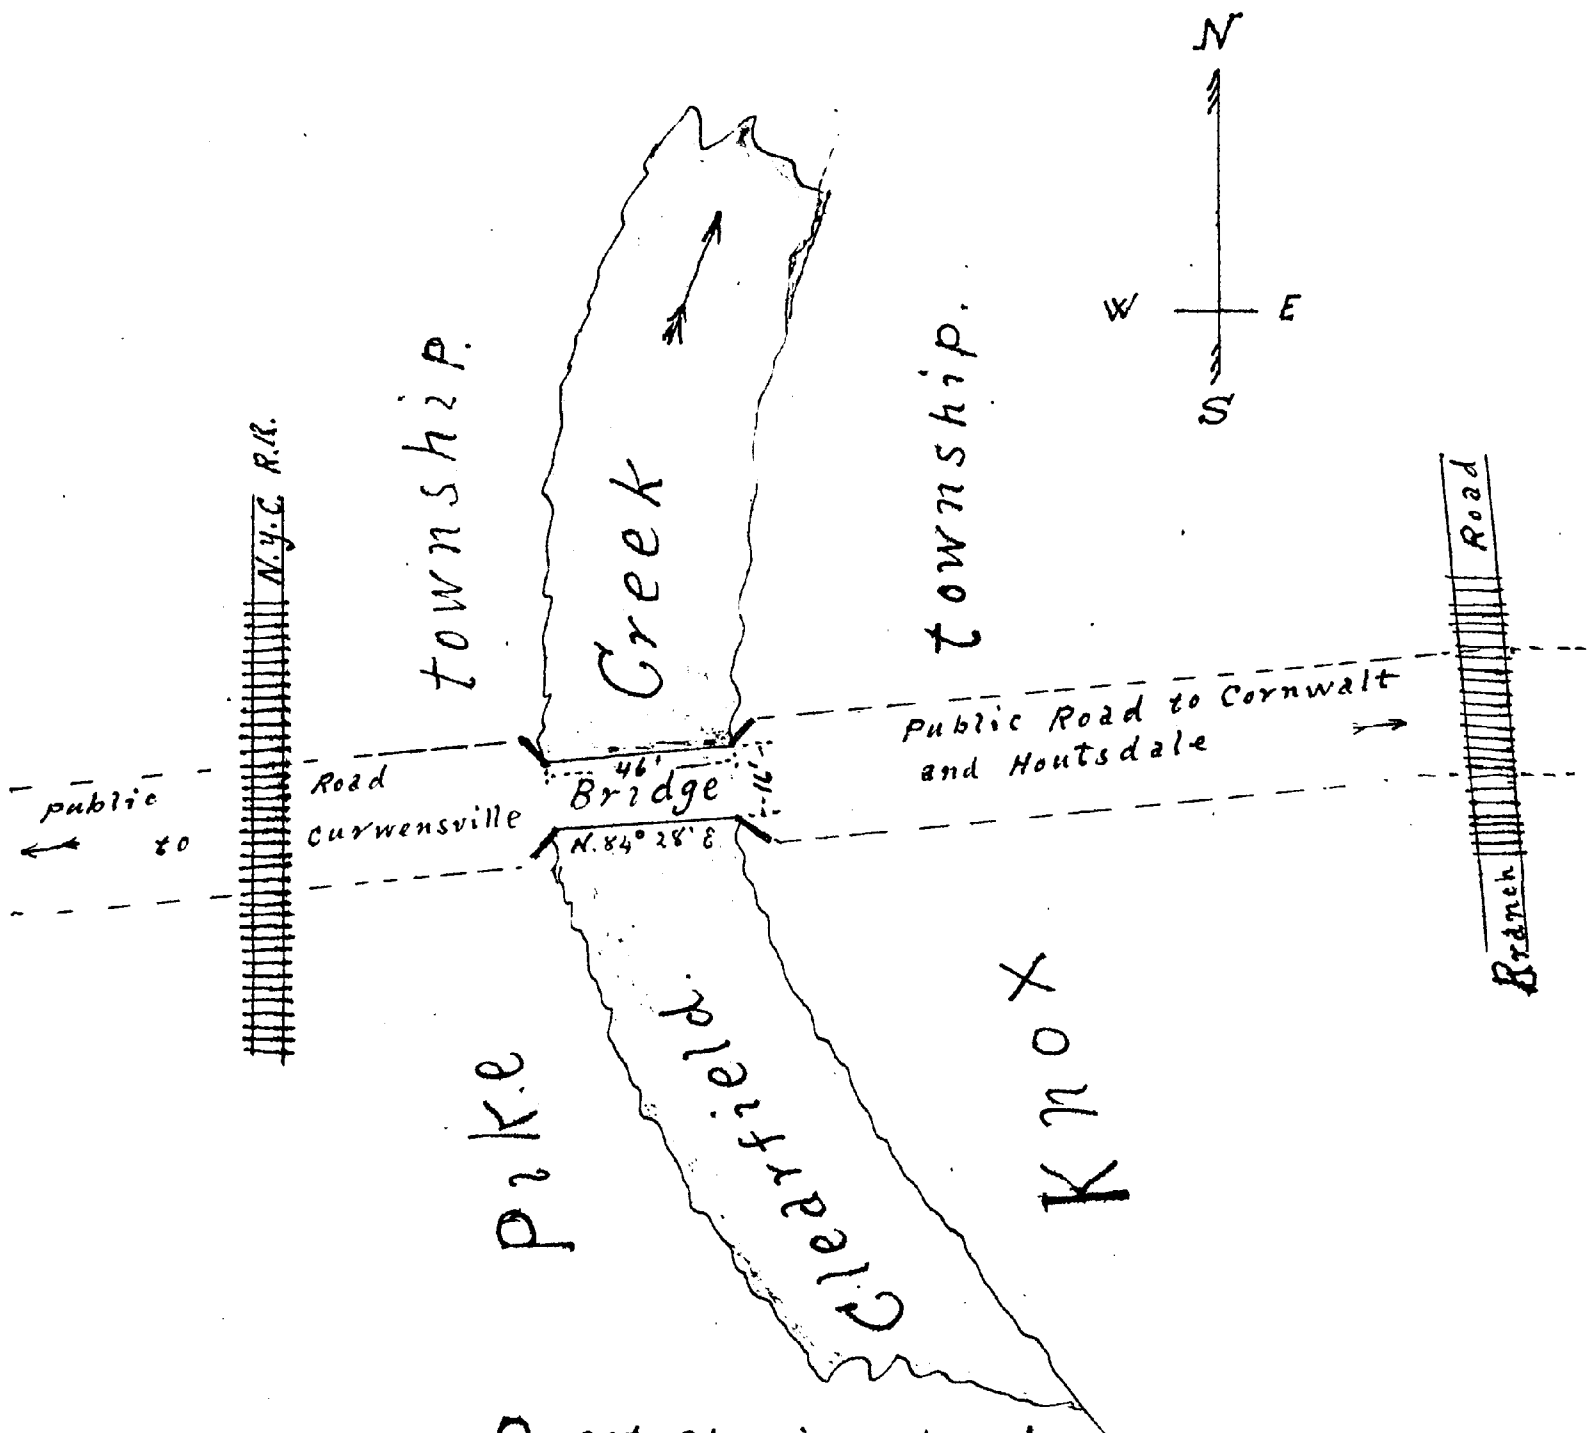

And that the said viewers all having been present at the view and after having made said view ~~on Wednesday the 20th day of June~~ The hearing was held in the Grand Jury Room in the Court House in Clearfield Pa on Thursday the 21st, day of June A. D. 1917 at nine (9) o'clock A. M. and was attended by A. R. Chase Esq Attorney for the petitioners and T. A. Woods, and Parley. S. Stott of Knox Township and A. H. Woodward Esq, Attorney for the Supervisors of Pike Township and O. P. Carr, and Charles Lawhead two of the Supervisors and Harvey, A. Carr and John, Black of Pike Township.

And after said view and hearing above stated, the viewers do agree that there is a necessity for said bridge to replace the old wooden structure there now, which is in a decayed, unsafe and dilapidated condition: They would therefore recommend, that a double reinforced single arch span concrete bridge, forty six (46) feet in length, with a driveway sixteen feet in width; twelve (12) feet above low water mark on solid concrete or stone abutments if stone to be laid in cement mortar resting on solid gravel or stone bottom be erected at said point where the public road leading from O'Shanter and from O'Lanta in Pike Township

to Turkey Hill in Knox Township crosses Little Clearfield Creek the boundary line between Pike and Knox Townships as per draft attached as part of our report. And that in the opinion of the viewers, that the probable cost or expense of the erection of said bridge as recommended, including the abutments will be about, Three thousand six hundred (\$3600.00) dollars, and that said amount, owing to the financial conditions of said Townships of Pike and Knox would be too heavy and burdensome upon the said townships to bear; they would therefore recommend, that one half or fifty per cent of the expense or cost of the erection of said bridge be paid by the county and the other half or remainder be paid in equal proportion by the aforesaid townships of Pike and Knox.

day of June A. D. 1917
