PETITION.

To the Honorable President Judge of said Court:

County of Clearfield, held at Clearfield, Pa., in and  
for said County, on the 22 day of  
May in the year of our Lord

Judge of the same Court: Upon the petition of  
Barbara C. Heverly

Becarria

in said County, setting forth that she labors  
under inconvenience for want of a private road to lead from her  
dwelling house in said township to a point in the public road at or  
near the lane of H. C. Heverly through the land of C.W. Heverly  
Your petitioner represents that a road has been in existence and used  
on the line of the proposed private road for a great many years,  
having been established in the lifetime of W. P. Heverly, the husband  
of your petitioner, but no written evidence of said road either by  
agreement or otherwise is in existence so far as your petitioner known  
and by reason of the same the rights of the parties thereto are not  
properly and sufficiently defined.  
and therefore, praying the Court to appoint proper persons to view and  
lay out the road between the points mentioned, whereupon the Court upon  
due consideration had of the premises, do order and appoint from and  
among the County Board of Viewers A. G. Kramer, Esq., Harry Reese  
and J. S. Michaels

who have been duly appointed by the Court and filed their oaths of office and  
are duly qualified to perform the duties of their appointment with impari-  
ality and according to the best of their judgment, are to view the ground  
proposed for the said road, and if they view the same, and a majority of  
the actual viewers agree that there is occasion for such road, they shall  
proceed to lay out the same, as agreeable to the desire of the petitioner, as  
may be, having respect to the best ground for a road and the shortest dis-  
tance, in such a manner as to do the least injury to private property; and  
shall make report thereof, stating particularly whether they judge the same  
necessary for a public or private road, together with a plot or draft thereof,  
and the courses and distances and references to the improvements through  
which the same may pass; (and wherever practicable, the viewers shall lay  
out the said road at an elevation not exceeding five degrees, except at the  
crossing of ravines and streams, when by moderate filling and bridging the  
declination of the road may be preserved within that limit,) to the next Court  
of Quarter Sessions to be held for the said County.

And if the viewers aforesaid shall decide in favor of locating a <sup>private</sup> ~~public~~  
road, they shall obtain from the persons through whose lands the said road  
shall pass, releases from any damages that may arise to them on opening  
the same; but if the owner or owners of such land refuse to release their  
claim to damages, the said viewers shall assess the same, taking into view  
the advantages as well as disadvantages arising from said location, and  
make report of such assessments; which report they shall in like manner  
transmit to the next Court of Quarter Sessions, with the draft or plot  
aforesaid. In which said reports they shall state that they have been  
sworn or affirmed according to law, and that due and legal notice was  
given of the time when, and place where, they should meet, to view and  
lay out said road, and the time and place of hearing.

# RETURN OF VIEWERS.

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, beg leave to report as follows:

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of Graham and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 17th day of April A. D. 1917, and the hearing to be held in the Arbitration room, at the Court House, in Clearfield, Pa., on the 18th day of April, 1917, at (9) o'clock A. M. That the said viewers appointed by the said order viewed the ground proposed for the above mentioned road, and that there were present at the view Jacob, Williams, Isaac, Pace, Doyl Smeal, the Supervisors of Graham Township and James R Graham,

parties in interest. That the hearing was held in the Arbitration Room, in the Court House, at Clearfield, Pa., on the 18th day of April A. D. 1917, ~~when the following~~ appeared: There being no appearances at the hearing

And After the view and hearing above mentioned, the undersigned, ~~the majority of the said~~ viewers, do agree that there is no occasion for a road ~~as desired by the petitioner, and that the~~ same is not necessary for a public road: And having had respect to the ~~shortest distance and the best ground for such road as may be laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner,~~ and do ~~return for~~ vacate the following described road, to-wit: Beginning at the intersection of the public road, leading from Shilo to Kvlertown past Grahamton at a point near what is known as the old Percy store house at Grahamton, in Graham Township to the old saw mill in said township a distance of 4362 feet as shown by the draft hereto attached as part of our report.

And as said road has to all appearances and the best information of the viewers, been practically abandoned, and is of no further use as a highway to the community or the traveling public, as there is no settlement along said road, and as the purpose for which said road was originally laid out and constructed, to-wit: for the hauling of logs to said saw mill, and hauling of lumber from said mill and of square timber to the river; which by reason of the timber having been exhausted and the said saw mill long since taken down and moved away, and the former village of Grahamton the starting point of said road has with the exception of one house all been torn down and moved away: so that said road is of no further use, and has therefore in the opinion of the viewers, become, useless, inconvenient and burdensome, upon the taxpayers of the township. They would therefore recommend that the same be vacated.

## Clearfield County, ss:

At a Court of Quarter Sessions of the Peace of the County of Clearfield, held at Clearfield, Pa., in and for said County, on the 1st day of February in the year of our Lord one thousand nine hundred seventeen,

and therefore, praying the Court to appoint proper persons to view and ~~lay out~~ <sup>vacate</sup> the road between the points mentioned, whereupon the Court upon due consideration had of the premises, do order and appoint from and among the County Board of Viewers A. G. Kramer, E. D. Billotts and J. S. Michaels

who have been duly appointed by the Court and filed their oaths of office and are duly qualified to perform the duties of their appointment with impartiality and according to the best of their judgment, are to view the ~~road~~ <sup>proposed</sup> ~~proposed for the said road~~, and if they view the same, and a majority of the actual ~~viewers~~ <sup>vacate</sup> agree that there is occasion for such ~~road~~ <sup>vacation</sup>, they shall proceed to ~~lay out~~ <sup>vacate</sup> the same, as agreeable to the desire of the petitioners as may be, ~~having respect to the best ground for a road and the shortest distance, in such a manner as to do the least injury to private property;~~ and shall make report thereof, stating particularly whether they judge the same necessary for a public ~~or private~~ road, ~~together with a plot or draft thereof,~~ and the courses and distances ~~and references to the improvements through which the same may pass;~~ (and wherever practicable, the viewers shall lay out the said road at an elevation not exceeding five degrees, except at the crossing of ravines and streams, when by moderate filling and bridging the declination of the road may be preserved within that limit,) to the next Court of Quarter Sessions to be held for the said County.

And if the viewers aforesaid shall decide in favor of ~~vacating said road~~ <sup>vacating said</sup>, they shall obtain from the persons through whose lands the said road shall pass, releases from any damages that may arise to them on opening the same; but if the owner or owners of such land refuse to release their claim to damages, the said viewers shall assess the same, taking into view the advantages as well as disadvantages arising from said location, and ~~make report of such assessments; which report they shall in the mean time transmit to the next Court or Quarter Sessions, with the draft or plot aforesaid.~~ In which said reports they shall state that they have been sworn or affirmed according to law, and that due and legal notice was given of the time when, and place where, they should meet, to view and lay out said road, and the time and place of hearing
