and **J.S. Michaels.** who have been duly appointed by the said Court on the County Board of Viewers, and filed their oaths of office in the office of the Court of Common Pleas of the County aforesaid, as required by law and are, therefore, duly qualified to perform the duties of their appointment, with impartiality and according to the best of their judgment; are to view the said road, and after having viewed the same, if they, or a majority of them, do agree that there is no necessity for said road, they shall proceed to vacate the same as agreeably to the desire of the petitioners as may be, and make report thereof to the next Court of Quarter Sessions to be held in and for said County, stating particularly whether there is any necessity for said road, or whether the same should be vacated; and the reason why, together with a plot, or draft, thereof showing the courses and distances with reference to the improvements through which said road passes.

RETURN OF VIEWERS

TO THE HONORABLE THE JUDGE OF QUARTER SESSIONS, OF THE PEACE, IN AND FOR THE
COUNTY OF CLEARFIELD, PA.

We, the undersigned Viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, beg leave to report as follows:

That notice of the time of the view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County, and the Board of Supervisors of the Township of **Bell**, -----, and that **Three** ----- notices thereof were posted along the route of the said road to be vacated, that the said view would be held on the

21st day of November, A. D. 1918, and that the public hearing, as required by the Act of Assembly, and the Rules of Court, would be held in the Arbitration Room in the Court House, in Clearfield.

Pa., on the 22d, day of November A. D., 1918, at ten, 10, o'clock A. M., and that said Viewers, appointed by the said order, viewed the road desired to be vacated, and that there were present at the view besides the viewers James Breth and J. H. Baker two of the Supervisors of Bell Township. in favor of vacating said road and, W. E. Hurd, Irvin Lee, R. R. Hurd, T. G. Snyder, L. J. Snyder, Charles Snyder, Dock. Johnson, Philip, Thrush, George, Worrell and Asa, Hurd, -----

and against parties interested, ~~and the said hearing was held~~ vacating said road. And that the aforesaid hearing was held in the Arbitration Room in the Court House, in Clearfield, Pa., on the 22d. day of November ,

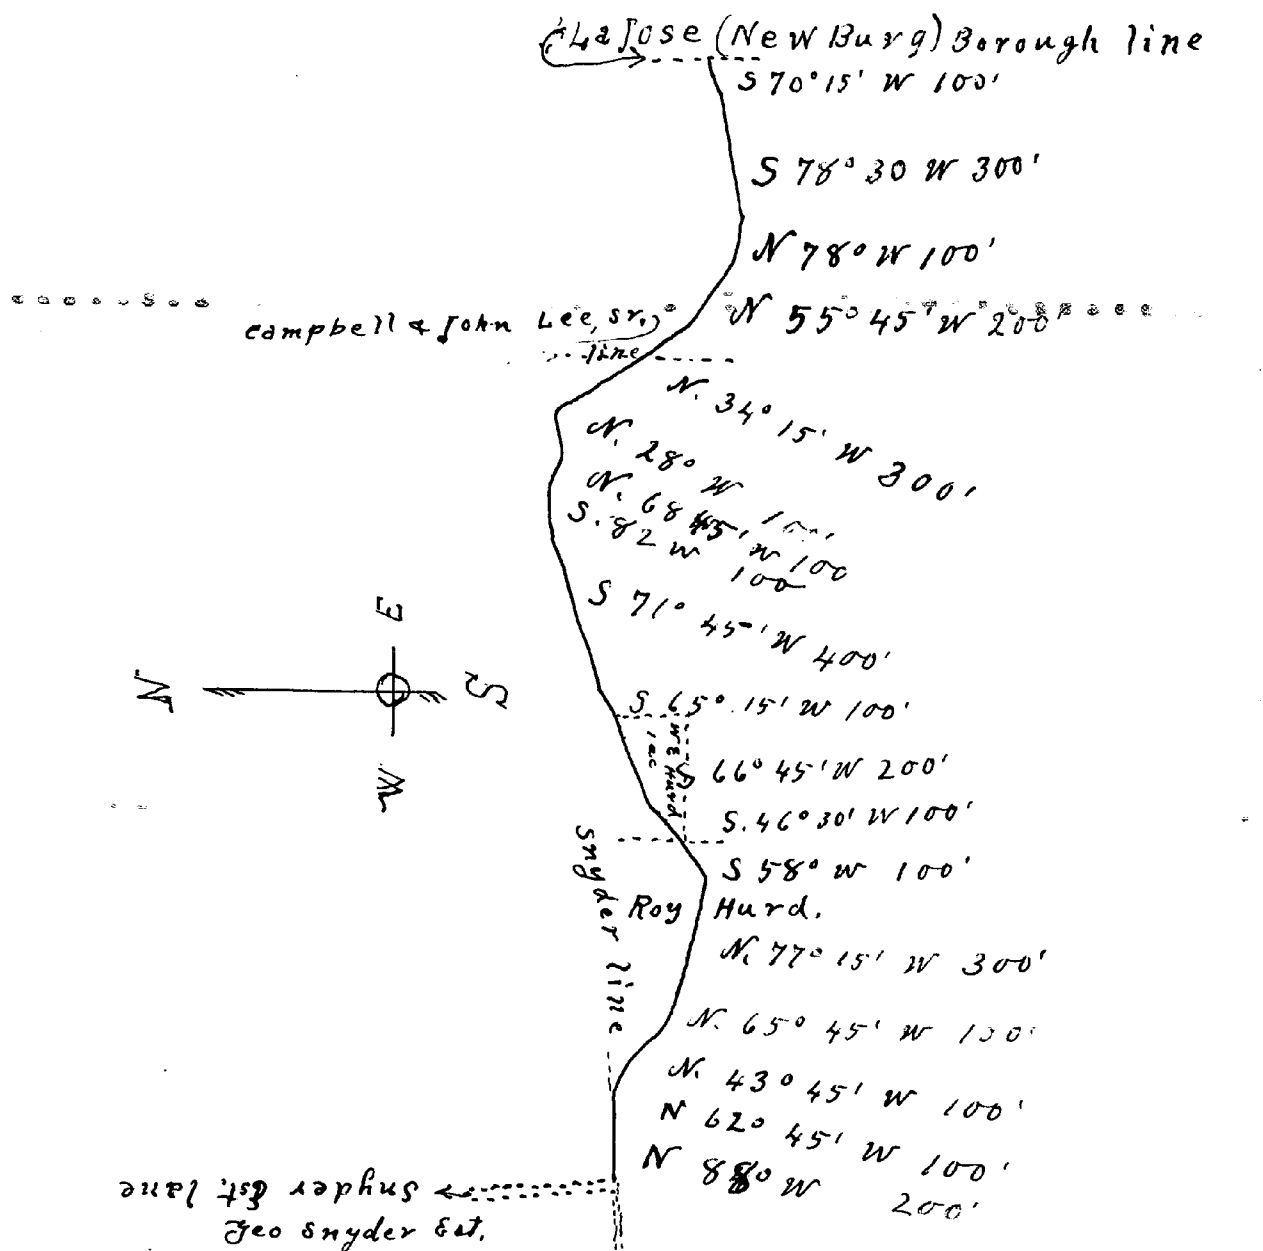

A. D. 19 18, when the parties interested in the said road were in attendance: James Breth and J. H. Baker two of the Supervisors of said Township of Bell in favor of vacating said road and T. G. Snyder, Doc. Johnson, Asa Hurd, and, Irvin. Lee. parties opposed to vacating said road; -----

And that after the view and hearing above mentioned, the undersigned Viewers do agree that said road has _____, become useless, inconvenient and burdensome for the following reasons.

FIRST: Because on account of the limited amount of travel over said road as indicated to the viewers by the appearance of the road at the time of the view and the evidence produced at the hearing the township would not be justified in spending the amount of money necessary to put and keep the same in proper repair.

SECOND: For the further reason that in case the end of the road in Bell Township was in the best possible condition the road could only be traveled about two thirds of the year for the reason that the end of the road in LaJosa or Newburg Borough passes over Chest Creek and there being no bridge across said creek the only way to cross said stream is by fording and as the stream is deep at said point, the only time said road can be traveled at all is in the summer when the water is low or in extreme cold weather in the winter when the creek is frozen over, solid enough to carry a team of horses with a loaded wagon or sled which only lasts a brief time; so at least one third of the time the road cannot be used.

THIRD:- Because there are only one or two families living along said road and one of those families lives in LaJose or Newburg Borough which end of

of portion of public road to be
vacated in Bell twp. Glfd co.

VIEWERS

J. H. Baker

of the said road is not to be vacated and therefore does not effect him as his travel is the other way to the settled part of Newburg Borough.

FOURTH: The greater part of the road to be vacated in Bell Township is down a very steep hill to Chest Creek or from Chest Creek up nearly the entire distance; part of the way is over twenty degrees elevation, making it impossible to haul any kind of a load over it either up or down, and therefore on account of the steep grade and filling in on a side hill cut a very expensive road to put and keep in proper repair; and in fact cannot without very heavy expense be put in a condition that it can be traveled by a motor truck or Automobile..

FIFTH:- And as to the signers to the remonstrance filed, the majority of which reside in Newburg Borough quite a distance from this road and have therefore no occasion to use this road as they have a far better and more convenient way out to any of the other trading points in that section of the County and therefore no need for said road.

And as to the majority of the signers to said remonstrance from Bell and Burnside Townships have no occasion to travel over said road is a question whether very many of them have ever been over or seen the road. as they about all have less distance and better roads to either Newburg, Mahaffey, New Washington, Burnside or any other point in that section of the county and therefore have no occasion to take a round about way to travel over this road.

The viewers therefore after giving due consideration to the remonstrance and the testimony submitted at the hearing and the objection raised to the vacating of said road are not convinced of the necessity of said road and and therefore believe the same to be useless inconvenient and burdensome upon the taxpayers of the Township and would therefore recommend that the same be vacated.

The undersigned Viewers further report that they endeavored to procure from all parties affected by the vacation of said road, or over whose properties said road passes, or in any way damaged by the vacation of said road, a release in writing of all claims to damages that may arise from the vacation thereof, and that they procured such release from: see and distances and over whose land said road passes hereto attached. And that no one in the opinion of the viewers suffering any damages, no damages are therefore assessed.

And that the following persons having, in the opinion of the Viewers been damaged by the vacation of said road, and having refused to release the damages to which they may be respectively entitled to by reason of the vacation and closing up of the said road; we, the undersigned Viewers after having considered the advantages to be derived to them, do assess them damages and make report thereof, as follows:
