

No. June 1865 Term, 190

Petition for change of Township line
between Lawrence, Pike & Union Twps.

versus

X

To the Hon Board of Quarter Sessions
of Cheshire County.

The petition of the subscribers citizens of
said County Humbly sheweth,

That the line of
the townships of Lawrence, Pike and Union
is irregular and inconvenient as it exists
and that the public would be benefited by
a change in the said line, or a part of them,

They therefore pray that proper persons may
be appointed to view the same and that the
said line may be so changed that all that
part of Pike township lying north of the South
line of tracts 5703 & 5704 ^{4252 & 4253} may be thrown into
Union township

And they also pray &c.
