To the Hon. the Judges of the Court of Quarter Sessions of Clearfield County.

September Sess. A.D. 1865.

The undersigned, citizens of Bradford and Boggs Townships would respectfully represent that they labor under great inconvenience for want of road from Woodland to the public road near Thomas Park in Bradford Tp. We therefore pray the appointment of viewers to view and lay out a public road from Woodland to some point on said public road between Thomas Park's & Turner's mill.
