And in case the viewers aforesaid shall decide in favor of vacating said road, they shall obtain from the persons through whose lands the said road passes, or otherwise affected, or damaged, by the vacating of said road, releases from whatever damage they may sustain by the vacation of said road; and in case the owners of such lands, or persons affected, thereby refuse to release their claim to damages, the said Viewers shall assess the same, taking into consideration the advantages, as well as the disadvantages, arising from the vacation of said road; and make report of such assessment; which report they shall in like manner transmit to the next Court of Quarter Sessions, with the draft, or plot, aforesaid.
