ough.)

TO THE HONORABLE A. R. CHASE, PRESIDENT JUDGE:

The petition of the County Commissioners of
Clearfield County respectfully represents:

That by virtue of an agreement bearing date
of the 27th day of August, 1925, made with D. R. Purdy
and T. B. Sanders, trading and known as Purdy & Sanders,
of Clinton, Allegheny County, Pennsylvania, petitioners,
contracted for the building of a single span plate gir-
der bridge over Cush Creek on P. D. H. Route No. 62-B
in Burnside Township, Clearfield County, Pennsylvania.

Petitioners further represent that the con-
tractors proceeded in due course with the carrying
out of the terms of their agreement under the supervision
of J. B. Long, Consulting Engineer, of Norristown, Pa.,
and are now advised that the bridge is completed. They,
therefore, pray the Court to appoint viewers to inspect
said bridge according to the several Acts of Assembly
in that behalf made and provided, and make report thereof
to the Court.

Attest:

NOW, this 12 day of January 1926,
petition presented and *Francis A. Sutton Esq.*
J. E. Fry and George H. Weibel
are appointed inspectors of said bridge over Cush Creek
in Burnside Township near Burnside Borough, said in-
spectors to have the power to call upon the engineer
in charge of said bridge for the county, and upon any
and all persons in a position to throw light on the con-
struction thereof, and make report to the Court on or

In re:-

Cush Creek Bridge over Cush Creek:
Burnside Township, Clearfield : No. Sept. Sessions, 1925
County, Pennsylvania. :

To the Honorable A. R. Chase; President Judge:-

The petition of Jesse E. Dale; T. R. Weimer, and Blake W. McCracken; Commissioners of Clearfield County, respectfully re-presents:-

- (1). That the Department of Highways, Commonwealth of Pennsylvania, is now constructing an improved state highway, known as Primary Route No. 62; which traverses Burnside Township, Clearfield County, Pennsylvania.
- (2). That the section of said Primary Route No. 62 through Burnside Township will in all probability be completed in September, 1925.
- (3). That the plans and specifications of said Primary Route No. 62 requires the construction of a new bridge over Cush Creek, to be known as Cush Creek Bridge.
- (4). That the bridge now located at the site of the proposed new bridge, which is the subject of this petition, has been condemned by the consulting engineer of your petitioners, as unsafe, dangerous to the public and inadequate to meet the demands of travel over said Primary Route No. 62.
- (5). That the plans and specifications for said bridge to be known as Cush Creek Bridge are exhibited herewith; said plans and specifications have been approved by the Department of Highways; Department of Forests & Waters, Water Commission and the State Art Commission, all of the Commonwealth of Pennsylvania.
- (6). That because of the facts above stated there exists an emergency making it necessary to construct said bridge to be known as Cush Creek Bridge without the delay occasioned by the report of a Grand Jury.

Wherefore, your petitioners pray your Honorable Court to approve the construction of said bridge to be known as Cush Creek Bridge, in accordance with the Act of Assembly No. 213, approved 29 April, 1925.
