RETURN OF VIEWERS.

TO THE HONORABLE THE JUDGE OF QUARTER SESSIONS OF THE PEACE, IN AND FOR THE COUNTY OF CLEARFIELD, PA.

We, the undersigned Viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, beg leave to report as follows:

That notice of the time of the view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County, and the Board of Supervisors of the Township of Bradford, and that three notices thereof were posted along the route of the said road to be vacated, that the said view would be held on the

26th day of May, A. D. 1926, and that the public hearing, as required by the Act of Assembly, and the Rules of Court, would be held in the Arbitration Room in the Court House, in Clearfield, Pa., on the first day of June, 1926, at nine o'clock A.M., and that said Viewers, appointed by the said order, viewed the road desired to be vacated, and that there were present at the view W.H.Kephart, Supervisor of Bradford Twp.,

parties interested, either in favor of or against vacating said road. And that the aforesaid hearing was held in the Arbitration Room in the Court House, in Clearfield, Pa., on the first day of June, 1926, when the parties interested in the said road were in attendance:

W.A.Hagerty Esq., Atty for Bradford Twp Road District, A.B.Lansberry and W.H.Kephart, Supervisors

And that after the view and hearing above mentioned, the undersigned Viewers do agree that said road has ####, become useless, inconvenient and burdensome

The Survey shows this Road to be 4223 feet in length, most of it a steep grade. Surface indications are that it is used some as a foot path. There are no improvements whatever along the road. Years ago when lumbering was carried on there had been buildings and some improvements on the river bank, but these are all gone. The road originally run to the river only, no fording. Graffius Run is crossed twice, the bridges are gone. There is no question in the opinion of the Viewers, ^{but} that the Road should be vacated and they so report.

and that a plan, or draft, of said road to be vacated showing the courses and distances, and over whose property the said road passes, is hereto attached and made a part hereof.

The undersigned Viewers further report that they endeavored to procure from all parties affected by the vacation of said road, or over whose properties said road passes, or in any way damaged by the vacating of said road, a release in writing of all claims to damages that may arise from the vacation thereof, and that they procured such release from: No Releases required

And that the following persons having, in the opinion of the Viewers, been damaged by the vacation of said road, and having refused to release the damages to which they may be respectively entitled to by reason of the vacation, and closing up of the said road, we, the undersigned Viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof, as follows:

No damages to be assessed

and we herewith return releases obtained, and copy of the notices.
