RETURN OF VIEWERS

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County; be leave to report as follows:

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of Cooper and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 12th day of April A. D. 1926, and the hearing to be held in the Arbitration Room, at the Court House, in Clearfield, Pa., on the 14th day of April, 1926, at 10 o'clock A. M. That all the viewers appointed by the said order viewed the ground proposed for the above mentioned road, and that there were present at the view Ella Eisenhauer petitioner

~~parties in interest. That the hearing was held in the Arbitration Room, in the Court House, at Clearfield, Pa., on the 21st day of April A. D. 1926, when the following appearances were noted: Ellen Eisenhauer one of the petitioners and Fred Eisenhauer, one of the part of the petitioners Albert Liveright Esq County Solicitor and J. Edale B.W. McGracken and T.E. Weimer County Commissioners~~

After the view and hearing above mentioned, the undersigned, the majority of the said viewers, do agree that there is ~~no occasion for a road as desired by the petitioner, and that the same is~~ necessary for a ~~road:~~ And having had respect to the shortest distance and the best ground for such road we have laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner, and do return for ~~use the following described road, to wit~~ Beginning ~~The Viewers find that Margaret and Ellen Eisenhauer are the owners of two adjacent lots in Cooper Twp located on the outskirts of the Village of Kylertown; That these lots are each approximately 65 by 170 feet in size; That the Commonwealth of Penna. through its State Highway Department entered upon said lots in the construction of the Concrete Highway leading from Philipsburg to Kylertown and beyond and constructed its Highway diagonally through said lots leaving two triangular pieces of land and materially impairing the value of the w whole; That said Roadway at this point was entirely changed from its former location, no part of it at this point, being old location, as will appear by the attached plan or draft it would not have been possible to cross these lots in a manner to do more damage to them than has been done in this case, no buildings are on the lots.~~

~~After viewing the same and after hearing the testimony of the witnesses as to the value of the land taken your viewers find that this property has been damaged by the construction of said Sate Highway~~

and that a plan or draft of said road showing courses and distances and the properties affected is hereto attached and made a part hereof, ~~said road being at an elevation not exceeding five degrees, excepting~~

when it was not practical to preserve it within that limit.

The undersigned further report that they endeavored to procure from all the owners of the land over which the said road passes releases in writing of all claims to damages that may arise from opening the same, and that they procured such releases from

the following persons having refused to release the damages to which they respectfully may be entitled by reason of the location and opening of the said road, we, the undersigned viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof as follows: to Margaret Esenhauer and Ellen Eisenhauer joint owners the sum of One Hundred and Twenty Five (\$125.00) dollars

and we herewith return releases obtained and copy of the notices.
