

No 23 September Sessions, ¹⁹²⁶~~1928~~.

Petition to vacate and supply a
road in Fike Township.

ORDER.

IN THE COURT OF QUARTER SESSION OF CLEARFIELD COUNTY.

In Re - Vacation of Road : No. September Term, 1926.
and application to supply new :
road in Pike Township. :

To Hon. A. Roy Chase, President Judge of said Court:

The petition of divers citizens and taxpayers of said
Pike Township respectfully represents:

That the geographical conditions as well as the needs
of the people of Pike Township find it necessary by reason of
the development of habitation in the county to replace one of
the old roads in said Township which by reason of lack of use
and travel has grown into a state of disrepair.

That in order to facilitate transportation so as to
accommodate the needs of a great number of citizens and taxpayers
living in Pike Township the undersigned hereby petition your
Honorable Court to vacate the old road beginning at the Pleasant
Grove school house and church thence extending a distance of
five thousand three hundred and sixty five (5365) feet past the
farm occupied by Joseph Smay to its intersection with what is
known as the Carding Machine Road most of which shows no travel
or traffic marks and which is overgrown to a large extent with
grass and which road has a running grade of from eight (8)
degrees to twelve (12) degrees and abutted by unimproved lands;

The petition of the undersigned respectfully requests
your Honorable Court in lieu thereof to supply a public road
beginning at a point at the foot of the hill at Pickle Run near
the farmhouse occupied by Joseph Smay; thence in a westerly

direction following the course of Pickle Run across the road from Pleasant Grove school house to A. Y. Straw's, to end at the intersection with the road leading from Charles Bailey's farm to a point near the Pleasant Grove school house and church and being approximately three-fourth ($\frac{3}{4}$) of a mile in length. The proposed supply road would have an average grade of about two (2) degrees and would avoid heavy grades and much snow shoveling in winter season. It will be abutted largely by improved land and would accommodate several farms at the present time unaccommodated by the road asked in this petition to be vacated.

Your undersigned petitioners therefore pray that the old road be vacated and that in lieu thereof the supply road herein asked for be built.

And they will ever pray.

RETURN OF VIEWERS.

TO THE HONORABLE THE JUDGE OF QUARTER SESSIONS OF THE PEACE, IN AND FOR THE
COUNTY OF CLEARFIELD, PA.

We, the undersigned Viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, beg leave to report as follows:

That notice of the time of the view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County, and the Board of Supervisors

of the Township of **Pike**, and that **three** notices thereof were posted along the route of the said road to be vacated, ~~that the said view would be held on the~~ **and supplied**

30th day of **September**, A. D. 19 **26**, and that the public hearing, as required by the Act of Assembly, and the Rules of Court, would be held in the Arbitration Room in the Court House, in Clearfield,

Pa., on the **1st** day of **October** A. D., 19 **26**, at **ten** o'clock **A. M.**, and that said Viewers, appointed by the said order, viewed the road desired to be vacated, ~~and that there were present at the view:~~ **and supplied** **John H. Bloom, and Walter Long, Supervisors, A. Y. Straw, Joseph Smay, and W. A. Ramey, Esq.**

parties interested, either in favor of or against vacating said road. And that the aforesaid hearing was held in the Arbitration Room in the Court House, in Clearfield, Pa., on the **1st** day of **October**,

A. D. 19 **26**, when the parties interested in the said road were in attendance: **Caleb F. Boal; John Smeal; A. Y. Straw; Charles Anderson; Russell Boal, petitioners, with W. A. Ramey, Esq. Attorney; Walter Long, John, John H. Bloom and Joseph Smay, Supervisors, with S. Bell, Attorney. Milo Lawhead, R. M. Cochran, S. A. Smeal, William Bunnell, protestants, with W. A. Hagerty, Attorney, each of whom were duly sworn, examined and cross-examined by counsel and your Board.**

And that after the view and hearing above mentioned, the undersigned Viewers do agree that said road ~~has~~ **known as, inconvenient and burdensome, to wit:** Beginning at a post near the Pleasant Grove School House, thence South 39 degrees West 275 feet to a post; thence South 18 degrees 30 minutes West 300 feet to a post; thence South 11 degrees 30 minutes West 302 feet to a post; thence South 9 degrees 15 minutes West 301 feet to a post; thence South 25 degrees West 285 feet to a post; thence South 29 degrees West 56 feet to post and ending at intersection of Road leading to Curwensville, near Pickle Run. ALSO: Beginning at a post on the South side of Road leading to Curwensville, thence South 29 degrees West 141 feet to a post; thence South 30 degrees West 233 feet to a post; thence South 47 Degrees East 196 feet to a post; thence South 36 degrees East 160 feet to a post; thence South 22 degrees West 259 feet to a post; thence South 4 degrees 30 minutes East 302 feet to a post; thence South 7 degrees 30 minutes East 300 feet to a post; thence South 11 degrees East 484 feet to a post and ending at its intersection with the Clearfield & Curwensville Road. That the aforesaid Road from the Pleasant Grove School House to Pickle Run is of a precipitous grade, averaging from 8 to 12 degrees, one witness testifying that at one point the grade was 24%; that there is no bridge over Pickle Run. The Road as a whole is dangerous for public travel, useless, inconvenient and burdensome of upkeep, and ought therefore to be vacated.

Secondly, that there is need of a public road for the accomodation of the traveling public, and your Board agrees that to supply the public convenience a new Road be built beginning at a post at the intersection of the Road leading to Curwensville with the aforesaid vacated Road (near Pickle Run); thence North 8 degrees 30 minutes West 193 feet to a post; thence North 1 degrees 30 minutes West 302 feet to a post; thence North 8 degrees 30 minutes West 301 feet to a post; thence North 2 degrees West 300 feet to a post; thence North 6 degrees 15 minutes West 302 feet to a post; thence North 7 degrees 15 minutes East 300 feet to a post; thence North 4 degrees 40 minutes West 604 feet to a post; thence North 0 degrees 175 feet to a post; thence North 4 degrees East 182 feet to a post; thence North 1 degrees 15 minutes East 300 feet to a post; thence North 3 degrees 30 minutes East 182 feet to a post; thence North 28 degrees East 232 feet to a post; thence North 48 degrees 30 minutes East 302 feet to a post; thence North 37 degrees East 108 feet to a post; thence North 72 degrees 15 minutes East 301 feet to a post; thence North 80 degrees East 300 feet to a post, and ending at its intersection with the Roads leading to Pleasant Grove School House and to Curwensville, near the property of Caleb Powers. That the proposed supply road can be built and maintained at less expense; that it will have a water grade of an average 3%, and benefit a greater number of inhabitants and the traveling public. That the proposed road, for a length of 3783 feet, will traverse unimproved land, the owners sustaining only nominal damages for the land taken; that for a distance of 601 feet the proposed road will traverse improved land of Milo Lawhead, who should be compensated therefor; and in the construction of said road all timber cut and removed from the right-of-way is reserved to the owners,

and that a plan, or draft, of said road to be vacated showing the courses and distances, and over whose property the said road passes, is hereto attached and made a part hereof.

The undersigned Viewers further report that they endeavored to procure from all parties affected by the vacation of said road, or over whose properties said road passes, or in any way damaged by the vacation of said road, a release in writing of all claims to damages that may arise from

that they procured such release from:

And that the following persons having, in the opinion of the Viewers, been damaged by the vacation of said road, and having refused to release the damages to which they may be respectively entitled to by reason of the vacation, and closing up of the said road, we, the undersigned Viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof, as follows:

To Milo Lawhead: the sum of Fifty (\$50.00) Dollars; and to Dr. S. D. Bailey, the sum of One (\$1.00) Dollar

and we herewith return releases obtained, and copy, of the notices.

In re: Petition to vacate :

PETITION.

To the Honorable A.R. Chase, President Judge of said Court.

The petition of Jemima Lawhead respectfully represents:-

In the above entitled case a petition to vacate an old road and supply a new one in Pike Township, running from a point at Pickle Run near the farm occupied by Joseph Smey to a point near the Pleasant Grove school house and church, about three-quarters of a mile in length; and that thereon your honorable Court appointed viewers, and that said viewers filed their report which was confirmed nisi at December Sessions, 1926, and confirmed absolutely at February Sessions, 1927, no exceptions or appeal having been filed.

That the said new road as laid out traverses the land of your petitioner for a distance of about 601 feet over improved land of your petitioner, and for a considerable distance over unimproved land also belonging to your petitioner; that your petitioner will be greatly damaged if said road is opened, by the taking of the ground for said road, the cutting off of your petitioner's pasture lands from the water supply thereto, the making inaccessible of other portions of petitioner's lands, and in other respects.

That no notice of said proceeding was given to your petitioner at any time of the view in said proceeding nor of any hearing therein to assess your petitioner's damages, and that no request was made of your petitioner to release any damages done to her.

That the viewers' report in said proceeding allows to Milo Lawhead the sum of fifty (\$50.00) Dollars as his damages, and shows said road to traverse the land of Milo Lawhead; that

said Milo Lawhead is your petitioner's husband and attended the hearing before the viewers as one of a number of citizens protesting against said road for public reasons; but has no interest in the land aforesaid and did not represent your petitioner nor present any claim for damages to her property before said viewers.

That the purported award of damages of \$50.00 to Milo Lawhead never came within the knowledge of your petitioner until within the past week; that no action with reference to the opening of said road has been taken by the supervisors until within the past two weeks; that said supervisors are now proceeding to open said road and work thereon has progressed partly over the land of your petitioner.

That said road is unnecessary and burdensome and its construction will inflict damages upon and do great injury to the petitioner, and that the same will be a taking and injury to petitioner's property without due process of law.

YOUR PETITIONER THEREFORE PRAYS that the order of confirmation heretofore made of the said viewers' report be stricken off and the order to open said road vacated and stayed.
