RETURN OF VIEWERS.

TO THE HONORABLE THE JUDGE OF QUARTER SESSIONS OF THE PEACE, IN AND FOR THE COUNTY OF CLEARFIELD, PA.

We, the undersigned Viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, beg leave to report as follows:

That notice of the time of the view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County, and the Board of Supervisors of the Township of Gulich, and that six notices thereof were posted along the route of the said road to be vacated, that the said view would be held on the

30th day of October, A. D. 19 28 and that the public hearing, as required by the Act of Assembly, and the Rules of Court, would be held in the Arbitration Room in the Court House, in Clearfield.

Pa., on the 2nd day of November A. D., 19 28, at ten and ~~supplied~~ A.M., and that said Viewers, appointed by the said order, viewed the road desired to be vacated, and that there were present at the view: W. M. Bartholow and E. W. David, Supervisors; Clint David, Jos. E. Glinsky, James Grossi, T. S. David, Alex Pohlik, Nick Pohlick, Petro Beterella and Saffron Ilko

parties interested, either in favor of or against vacating said road. And that the aforesaid hearing was held in the Arbitration Room in the Court House, in Clearfield, Pa., on the 2nd day of November, A. D. 19 28, when the parties interested in the said road were in attendance: D. Edward Chaplin, Esq. for J. Mitchell Chase, Attorney for petitioners; E. W. David and William Bartholow, Supervisors; Stephen Wulderk and James Grossi, all of whom were duly sworn, examined and cross-examined by counsel and your Board.

And that after the view and hearing above mentioned, the undersigned Viewers do agree that said road has become useless, inconvenient and burdensome to wit: Beginning at a post on right-of-way of Improved State Highway leading from Ramey to Tyrone Pike; thence South 25 degrees 3 minutes West 485 feet to a post; thence South 21 degrees West 390 feet to a post; thence South 23 degrees West 105 feet to a post; thence South 40 degrees West 536 feet to a post; thence South 52 degrees 30 minutes West 209 feet to a post on Oak Street in the Village of Janesville; thence North 60 degrees West thereby 195 feet to post on Walnut Street in the Village aforesaid.

We further find that the aforesaid Road contains two dangerous curves and steep grades, and that it intersects with Oak Street at a public alley laid out in the Village of Janesville, apparently an extension of said Public Alley and affording property owners abutting on the Southeast side thereof convenient ingress and egress to the Village and the Improved State Highway, and ought to be vacated.

✓ Your Board, after the view and hearing aforesaid, further find and agree that the petitioners labor under great inconvenience for want of a public Road, to wit: Beginning at a post on right-of-way of the Improved State Highway leading from Ramey to Tyrone Pike; thence South 32 degrees 30 minutes West 2044 feet to point of intersection of said Road (being the continuation of Walnut Street) with Oak Street in the

Village of Janesville.

We further find that the proposed public Road is of uniform grade throughout and follows in a direct line to the public square in the Village of Janesville aforesaid; and that in the original survey of State Highway Route #253 the aforesaid proposed public Road was adopted by the Department of Highways of the State of Pennsylvania but later abandoned and the present course of the Improved Highway adopted, ostensibly to avoid traffic congestion in the Town's public square. That the proposed public road runs in a straight line and for the convenience of the public your Board recommends that it be laid out as the public Township Road, in substitution of the public road recommended for vacation.

and that a plan, or draft, of said road to be vacated showing the courses and distances, and over whose property the said road passes, is hereto attached and made a part hereof.

The undersigned Viewers further report that they endeavored to procure from all parties affected by the vacation of said road, or over whose properties said road passes, or in any way damaged by the vacation of said road, a release in writing of all claims to damages that may arise from the vacation thereof, and that they procured such release from:

And that the following persons having, in the opinion of the Viewers, been damaged by the vacation of said road, and having refused to release the damages to which they may be respectively entitled to by reason of the vacation, and closing up of the said road, we, the undersigned Viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof, as follows:

No damages assessed

and we herewith return releases obtained, and copy of the notices.

Witness our hands and seals this 19th day of November, A. D. 19 28.
