1st. Road leading from Adam Korb's residence through to the intersection of the Rockton - Home Camp road at the Henry Bailey place.  
2nd. Road beginning at the Huston Township line at the Naugle place, continuing to the Levi Dressler place on the Home Camp - Narrows Creek Road.

who have been duly appointed by the Court and filed their oaths of office and are duly qualified to perform the duties of their appointment with impartiality and according to the best of their judgement, are to view the ground proposed for the said road, and if they view the same, and a majority of the actual viewers agree that there is occasion for such road they shall proceed to lay out the same, as agreeable to the desire of the petitioner as may be, having respect to the best ground for a road and the shortest distance, in such a manner as to do the least injury to private property; and shall make report thereof, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances and references to the improvements through which the same may pass; (and wherever practicable, the viewers shall lay out the said road at an elevation not exceeding five degrees, except at the crossing of ravines and streams, when by moderate filling and bridging the declination of the road may be preserved within that limit,) to the next Court of Quarter Sessions to be held for the said County.

In which said reports they shall state that they have been sworn or affirmed according to law, and that due and legal notice was given of the time when, and place where, they should meet, to view and lay out said road, and the time and place of hearing

By order of the Court.

# RETURN OF VIEWERS

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County <sup>7 September, 1931</sup> be <sup>leaving to report as follows.</sup>

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of Union and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 7th day of January A. D. 192<sup>32</sup> and the hearing to be held in the <sup>Grand Jury</sup> Arbitration Room, at the Court House, in Clearfield, Pa., on the 11th day of January, 192<sup>32</sup> at 10:00 o'clock A.M. That three viewers appointed by the said order viewed the ground proposed for the above mentioned road, and that there were present at the view (1st View): D. A. Conrad, H. N. Laborde, Adam Korb, S. E. Pentz, G. N. Laborde, Meryl Laborde, C. C. Caldwell and Alfred Bailey; (2nd View): J. A. Lyons, G. B. Woodford, C. G. Dixon, Wm. Smith, Supervisor; R. H. Jacobson, Geo. Schwem, George Gent, A. E. Larson, Fred W. Weber, parties in interest. That the hearing was held in the <sup>Grand Jury</sup> Arbitration Room, in the Court House, at Clearfield, Pa., on the 11th day of January A. D. 192<sup>32</sup>, when the following appearances were noted: As to 1st Road: J. C. Arnold, Esq., Solicitor for Union Township; J. C. Pentz, Esq., for petitioners; J. H. Riddle, P. A. Sheeser, H. N. Laborde, D. W. Conrad, J. D. Leslie, S. E. Pentz, C. C. Caldwell, Oliver A. Korb, Ezra Reiner. As to 2nd Road: J. H. Riddle, G. B. Woodward, Hon. A. L. Way, Fred Weber, B. H. Jacobson, Wm. Smith, C. G. Schwem: all sworn, examined and cross-examined by Counsel and your Board.

After the view and hearing above mentioned, the undersigned, the majority of the said viewers, do agree that there is no occasion for a road as desired by the petitioner, and that the same is not necessary for a private road: And having had respect to the shortest distance and the best ground for such road we have laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner, and do return for private use the following described road, to wit Beginning First: Beginning at the residence of Adam Korb on the Rockton Pike, thence along land of Adam Korb North 27 degrees West 517 feet to a post; thence thereby North 31 degrees 15 minutes West 300 feet to post; thence along land of Seyler Heirs North 38 degrees West 217 feet to a post; thence still thereby North 41 degrees 45 minutes West 300 feet to a post; thence still thereby North 45 degrees 15 minutes West 100 feet to a post; thence still thereby North 54 degrees West 200 feet to a post; thence still thereby North 71 degrees 15 minutes West 185 feet to a post; thence along lands of Seyler Heirs and State Land North 61 degrees West 700 feet to post; thence along State lands North 49 degrees 45 minutes West 190 feet to a post; thence over lands of the City of DuBois North 40 degrees 30 minutes West 100 feet to a post; thence still thereby North 56 degrees 15 minutes West 50 feet to a post; thence still thereby North 87 degrees 45 minutes West 50 feet to a post; thence still thereby South 53 degrees West 50 feet to a post; thence still thereby South 35 degrees West 200 feet to a post; thence still thereby South 46 degrees 45 minutes West 300 feet to a post; thence still thereby South 50 degrees West 70 feet to a post; thence still thereby South 79 degrees 30 minutes West 180 feet to a post; thence still thereby and across Anderson Creek South 89 degrees West 110 feet to a post; thence still thereby North 58 degrees West 130 feet to a post; thence still thereby North 26 degrees West 160 feet to a post; thence still thereby North 19 degrees West 533 feet to a post; thence still thereby North 20 degrees West 110 feet to a post and thence still thereby North 91<sup>1</sup><sub>4</sub> degrees West 300 feet and ending in the Pinchot Improved Highway leading from Rockton to DuBois via Home Camp, at the Henry Bailey place.

We further find that by proceedings had to No. 7, September

Sessions, 1931, the aforesaid described road was recommended for vacation by the original Board of Viewers, which Report was confirmed n. si. by your Honorable Court. On November 30th, 1931, upon petition of sundry citizens of Union Township the undersigned were appointed as a Board of Re-View.

After view and hearing your Board finds that the aforesaid Road serves a farming community, as well as custom-coal mines, and serves as a short-cut to the Pinchot Improved Rural road; a large portion of it passing through the woods-land and water-shed of the City of DuBois Water Supply Reservoir, opposing its vacation. It passes over hilly terrain and is not expensive to keep up, does not drift in winter and serves as a U. S. Mail route and for traveling to and from Home Camp Church.

The road being already opened and laid out for years, your Board recommends that it remain as a private road, to be maintained as provided by Act of Assembly.

SECOND: Beginning at the Huston Township line at land of DuBois Outing Club and thence running over the Chas. Blanchard lands (now owned by C. G. Schwem) the following courses and distances, to wit: South 55 degrees 30 minutes East 134 feet; thence South 44 degrees East 200 feet; thence South 36 degrees 45 minutes East 280 feet; thence South 30 degrees East 100 feet; thence South 9 degrees East 100 feet; thence South 4 degrees 45 minutes East 200 feet; thence South 3 degrees 30 minutes East 132 feet; thence South 7 degrees 30 minutes West 100 feet; thence South 22 degrees 15 minutes West 290 feet; thence South 8 degrees East 100 feet; thence South 21 degrees East 377 feet; thence South 50 degrees 30 minutes West 200 feet; thence South 11 degrees 15 minutes West 132 feet to land now of Z. Marsh; thence thereby South 30 minutes East 200 feet; thence thereby South 7 degrees 30 minutes West across Coal Run 110 feet to line of land of Mike Miller; thence along lands of Chance Bailey and Mike Miller South 7 degrees 30 minutes West 327 feet; thence still thereby South 32 degrees 30 minutes West 100 feet; thence still thereby South 52 degrees West 286 feet; thence still thereby South 79 degrees West 145 feet to line of land of Fred Weber; thence thereby South 87 degrees 30 minutes West 585 feet; thence thereby South 74 degrees West 220 feet to line of land of Jos. Bowersox Heirs; thence thereby South 65 degrees 45 minutes West 100 feet; thence thereby South 57 degrees 15 minutes West 400 feet; thence thereby South 51 degrees West 200 feet; thence thereby South 44 degrees 30 minutes West 850 feet and ending at intersection of Road leading from Home Camp to Narrows Creek.

We further find that a portion of this Road is necessary, useful and convenient for Fred Weber as an outlet, and the whole of it inexpensive to maintain, having a shale foundation and known as the ridge road leading from Home Camp to Sabula Lake via the DuBois Outing Club, a recreation centre of said organization and in constant use in going to said Club-house, the Game Reserve and Auxiliary Forest by the members, friends and visitors. Being maintained for public recreation, your Board recommends that the aforesaid road be re-opened as a public road.

The petitioners for its vacation basing their argument on the expense of maintenance and up-keep of public roads in the Township, it was agreed by the parties interested that provided the Narrows Creek Road-proceedings to vacate which were instituted to No. 2 February Sessions, 1932, were vacated the aforesaid described road should be re-opened, which your Board recommends.

No damages claimed, assessed or awarded

and we herewith return releases obtained and copy of the notices.

RETURN OF VIEWERS.

TO THE HONORABLE THE JUDGE OF QUARTER SESSIONS OF THE PEACE, IN AND FOR THE COUNTY OF CLEARFIELD, PA.

We, the undersigned Viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, beg leave to report as follows:

That notice of the time of the view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County, and the Board of Supervisors of the Township of Union ~~s~~, and that ~~three~~ notices thereof were posted along the route of the said road to be vacated, that the said view ~~would be held on the 29th day of August, 1931, at 2.00 P.M., and of the second piece on the~~ ~~of the first described piece would be held Aug. 28, 1931 at 2.00 P.M., and of the~~ ~~29th day of August, 1931, at 9.30 A.M., and for the~~ ~~as to the first piece, on Mon. Aug. 31, 1931, at 9.30 A.M., and for the~~ ~~second piece~~ ~~Pa.~~ ~~on the same~~ day of ~~August~~ ~~s~~ A. D. 1931, at 10.30 o'clock A M., and that said Viewers, appointed by the said order, viewed the road desired to be vacated, and that there were present at the view ~~of the first, Jas. Riddle, Supervisor of Union Twp., Adam Korb, Harvey LaBorde, Jos. Schofield and others, and at the view of the second piece there was present only Jas. Riddle, Supervisor of Union Township aforesaid,~~

parties interested, either in favor of or against vacating said road. And that the aforesaid hearing was held in the Arbitration Room in the Court House, in Clearfield, Pa., on the 31st day of August, ~~at the appointed hours as above stated,~~ A. D. 1931, when the parties interested in the said road were in attendance: ~~as to the first piece, Supervisors, Jas. Riddle & Ambrose Sheeser, Adam Korb, Harvey LaBorde, Chas. Fridley, Ezra Rimer and other citizens of Union Township. As to the second piece, there appeared to testify, the Supervisors above named; George Woodford appeared for George C. Schwem, and abutting landowner, Fred Weber, Messrs. Isenman, Lukehart and others representing the DuBois Outing Club.~~

And that after the view and hearing above mentioned, the undersigned Viewers do agree that said road ~~xxxxxxxxx, become useless, inconvenient and burdensome~~ public road designated in the petition as the 1st. piece, leading from Adam Korb's residence through to the intersection of the Rockton-Home Camp road at the Henry Bailey place, a total distance of 5052 feet, whose various courses and distances are shown on the map thereof hereunto attached, has become useless, inconvenient and burdensome by reason of its non-necessity to the traveling public, it being practically paralleled by the new state highway leading from Rockton to Home Camp, and outlet to the citizens living in the neighborhood traversed by the road hereby returned for vacation, being had by good township road in part and in part by the county maintained Packerville-Snowshoe Turnpike between the Whitehead place and Rockton.

As to the second described piece in the petition aforesaid, described as beginning at the Huston Township line at the Naugle place and continuing to the Levi Dressler place on the Home Camp-Narrows Creek Road, the Viewers find that so much thereof as lays between the point in the said road on the southerly side of the residence of Fred Weber, and the Huston Township line, the first named termini in the petition, has become useless, inconvenient and burdensome by reason of its non-necessity to the traveling public.

The total distance or length of said piece so found to be useless, inconvenient and burdensome and which is hereby returned for vacation, is 4008 feet, as shown by its various courses and distances on the map hereto by the Viewers hereunto attached. The remaining part of the road described in the petition and shown on the map attached hereunto, that is the part running from a point on the said road opposite and on the southerly side of the residence of Fred Weber to the point in the public road at the Levi Dressler place, named as a termini in the petition, and being 1770 feet in length, the Viewers decline to return for vacation, because that at the present time, that part of the said road does not appear to have become useless, inconvenient and burdensome and its vacation would work an uncalled for hardship to Fred Weber and to those traveling to and from his residence.

and that a plan, or draft, of said road to be vacated showing the courses and distances, and over whose property the said road passes, is hereto attached and made a part hereof.

The undersigned Viewers further report that they endeavored to procure from all parties affected by the vacation of said road, or ever whose properties said road passes, or in any way damaged by the vacation of said road, a release in writing of all claims to damages that may arise from the vacation thereof, and that they procured such release from: As none of the parties appearing at the view or at the public hearing on either one of said roads, stated any specific damages which would result from vacation of the said roads and made no claim for any damage, and the Viewers could not find any specific element of damage which would result from vacation, they therefore assessed no damages.

And that the following persons having, in the opinion of the Viewers, been damaged by the vacation of said road, and having refused to release the damages to which they may be respectively entitled to by reason of the vacation, and closing up of the said road, we, the undersigned Viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof, as follows:

and we herewith return releases obtained, and copy of the notices.

TO THE HONORABLE THE JUDGE OF THE ABOVE NAMED COURT:

The petition of the undersigned, all of whom are residents, and citizens of the Township of Union, County of Clearfield and State of Pennsylvania, respectfully represents:

First - That a petition was presented to your honorable Court by the Supervisors of Union Township for the vacation of a certain piece of road, as described in the above caption.

Second - That Viewers were duly appointed and a hearing held on the matter of the vacation of said highway on the 31st day of August 1931, at which various citizens and residents of Union Township appeared and protested, and testified against the vacation of said piece of highway.

Third - That notwithstanding the evidence adverse to the vacation of said highway, and that a great number of persons are greatly in need of said highway, the Viewers filed a report on the 7th day of September, 1931, recommending that said highway be vacated.

Fourth - The undersigned, your petitioners, respectfully request your honorable Court to direct that a re-View of said vacation

proceeding be held by other Viewers, in order that there may be presented to the said Viewers and your honorable Court, the various facts making it necessary to keep the said piece of highway open for the use of the citizens of Union Township, as well as the other places to whom said piece of highway is a necessity and great convenience.

And they will ever pray, etc.
