# RETURN OF VIEWERS

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, be leave to report as follows:

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of Lawrence and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 26th day of October A. D. 1932; and the hearing to be held in the Arbitration Room, at the Court House, in Clearfield, Pa., on the 28th day of October, 1932 at 10 o'clock A.M. That the three viewers appointed by the said order viewed the ground proposed for the above mentioned road, and that there were present at the view : E. E. Lewis and J. Reynolds Fullerton, Supervisors of Lawrence Township,

parties in interest. That the hearing was held in the Arbitration Room, in the Court House, at Clearfield, Pa., on the 28th day of October A. D. 1932, when the following appearances were noted: Hon. J. Mitchell Chase, Attorney for petitioners, with C. M. Meredith, Arman C. Taylor, Alex Eddington, Martin F. Duckett, John T. Campbell, James M. McHenry, C. C. Sandy and Albert R. Hinkle; and E. E. Lewis, Supervisor of Lawrence Township. All of whom were sworn, examined and cross-examined by counsel and your Board.

After the view and hearing above mentioned, the undersigned, the majority of the said viewers, do agree that there is an occasion for a road as desired by the petitioner, and that the same is so necessary for a public road: And having had respect to the shortest distance and the best ground for such road we have laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner, and do return for public use the following described road, to wit Beginning at the intersection of Maple Avenue and Centre Street, as plotted and laid out in the Village of Plymptonville in the Township of Lawrence, and thence running North 86 degrees and 32 minutes East seven hundred and thirty-five (735) feet and intersecting with and ending in the improved public highway leading from Mt. Joy to Clearfield.

Your Board further finds that the aforesaid road serves the public use; that approximately 75 families will be served thereby, and that the aforesaid road has for a period of upwards of eight years been maintained by the residents of Plymptonville (a suburb of the Borough of Clearfield) at their own cost and expense; and that the public traffic thereon requires that the same be maintained at public expense, on account of its providing convenient access to the general public.

There being no objection to the petition, and in the opinion of your Board, the said Road being necessary and convenient for public use, recommends that the same be approved.

We further find that no damages will be suffered by any residents living along said Road, the properties having been built along the street as laid out and plotted by the original owners, who dedicated the said streets to public use.

and that a plan or draft of said road showing courses and distances and the properties affected is hereto attached and made a part hereof, said road being at an elevation not exceeding five degrees, excepting \_\_\_\_\_

when it was not practical to preserve it within that limit.

The undersigned further report that they endeavored to procure from all the owners of the land over which the said road passes releases in writing of all claims to damages that may arise from opening the same, and that they procured such releases from \_\_\_\_\_

the following persons having refused to release the damages to which they respectfully may be entitled by reason of the location and opening of the said road, we, the undersigned viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof as follows: \_\_\_\_\_

~~No damages assessed~~

and we herewith return releases obtained and copy of the notices.

WITNESS our hands and seals this 28th day of November
