RETURN OF VIEWERS.

TO THE HONORABLE THE JUDGE OF QUARTER SESSIONS OF THE PEACE, IN AND FOR THE COUNTY OF CLEARFIELD, PA.

We, the undersigned Viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, beg leave to report as follows:

That notice of the time of the view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County, and the Board of Supervisors of the Township of Girard, and that three notices thereof were posted along the route of the said road to be vacated, that the said view would be held on the 8th day of April, A. D. 1932, and that the public hearing, as required by the Act of Assembly, and the Rules of Court, would be held in the Arbitration Room in the Court House, in Clearfield, Pa., on the 12th day of April, A. D., 1932, at ten o'clock A. M., and that said Viewers, appointed by the said order, viewed the road desired to be vacated, and that there were present at the view Messrs. Paul Smith and Isaac Condon, the Supervisors of Girard Township. No one appeared to oppose the vacation. Because of inability of the viewers to meet for the view on the day and at the hour designated in the notices, an adjournment of the view was had until Monday, the 11th day of April, 1932, at ten o'clock A. M., at which time the view was held. Notice of the postponement was duly noted on the public notices.

parties interested, either in favor of or against vacating said road. And that the aforesaid hearing was held in the Arbitration Room in the Court House, in Clearfield, Pa., on the 12th day of April, A. D. 1932, when the parties interested in the said road were in attendance: There attended the hearing Messrs. Paul Smith and Isaac Condon, the Supervisors of Girard Township. No one appeared to oppose the vacation.

And that after the view and hearing above mentioned, the undersigned Viewers do agree that said road has become useless, inconvenient and burdensome and is not used generally by the traveling public at the present time and apparently has not been so used for a long time, and the Viewers do therefore recommend the vacation of so much of said road as begins at a point immediately south of the spur of the New York Central Railroad, near the village of Surveyor, in said Girard Township, and ends at the Bald Hill Fording of the Susquehanna River.

and that a plan, or draft, of said road to be vacated showing the courses and distances, and over whose property the said road passes, is hereto attached and made a part hereof.

The undersigned Viewers further report that they endeavored to procure from all parties affected by the vacation of said road, or over whose properties said road passes, or in any way damaged by the vacation of said road, a release in writing of all claims to damages that may arise from the vacation thereof, and that they procured such release from:

And that the following persons having, in the opinion of the Viewers, been damaged by the vacation of said road, and having refused to release the damages to which they may be respectively entitled to by reason of the vacation, and closing up of the said road, we, the undersigned Viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof, as follows:

It appearing to the viewers that no one will sustain any damage by reason of the vacation of said public road and no one having appeared at either the view or the public hearing to demand any damage, the Viewers have therefore awarded no damage to any one, resulting from said vacation.

and we herewith return releases obtained, and copy of the notices.
