Clearfield, held at Clearfield, Pa., in and for said County, on  
the 3rd day of March  
in the year of our Lord one thousand nine hundred  
thirty three

Judge of the same Court: Upon the petition of sundry in-  
habitants of the Township of Lawrence

in said County, setting forth that they labor under great  
inconvenience for want of a public road in Kerr Addition, Lawrence Township  
beginning at a point in the river road at the vacant lot of James Dallen  
and ending at a point in Mapes Avenue opposite the Kerr Addition  
Methodist Episcopal Church

open Palmer Street

and therefore, praying the Court to appoint proper persons to ~~view and lay out the road~~  
between the points mentioned, whereupon the Court upon due consideration had of the premises,  
do order and appoint from and among the County Board of Viewers John Scollins, Esq  
Harry Reese and H. P. Dowler

who have been duly appointed by the Court and filed their oaths of office and are duly quali-  
fied to perform the duties of their appointment with impartiality and according to the best of  
their judgement, are to view the ground proposed for the said road, and if they view  
the same, and a majority of the actual viewers agree that there is occasion for such road  
they shall proceed to lay out the same, as agreeable to the desire of the petitioner as may,  
be, having respect to the best ground for a road and the shortest distance, in such a manner  
as to do the least injury to private property; and shall make report thereof, stating particularly  
whether they judge the same necessary for a public or private road, together with a plot or  
draft thereof, and the courses and distances and references to the improvements through which  
the same may pass; (and wherever practicable, the viewers shall lay out the said road at  
an elevation not exceeding five degrees, except at the crossing of ravines and streams, when  
by moderate filling and bridging the declination of the road may be preserved within that  
limit,) to the next Court of Quarter Sessions to be held for the said County.

And if the viewers aforesaid shall decide in favor of locating a public road, they  
shall obtain from the persons through whose lands the said road shall pass, releases from any  
damages that may arise to them on opening the same; but if the owner or owners of such land  
refuse to release their claim to damages, the said viewers shall assess the same, taking into  
view the advantages as well as disadvantages arising from said location, and make report of  
such assessments; which report they shall in like manner transmit to the next Court of Quarter  
Sessions, with the draft or plot aforesaid. In which said reports they shall state that they  
have been sworn or affirmed according to law, and that due and legal notice was given of the  
time when, and place where, they should meet, to view and lay out said road, and the time  
and place of hearing

By order of the Court.

W. R. Gallagher, Clerk.

# RETURN OF VIEWERS

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, to No. 3 May Sessions, 1933, do leave to report as follows:

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of Lawrence and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 24th day of March A. D. 1933, and the hearing to be held in the Arbitration Room, at the Court House, in Clearfield, Pa., on the 27th day of March, 1933, at 10:00 o'clock A. M. That three viewers appointed by the said order viewed the ground proposed for the above mentioned road, and that there were present at the view: J. R. Fullerton and J. W. Young, Supervisors of Lawrence Township, and Albert Hubler, and at the hearing March 27, 1933, C. R. Kramer, Attorney for petitioners, W. A. Hagerty, Attorney for Lawrence Twp. and F. G. Smith, Esq., for the County Solicitor. A. W. Pifer, Hayes W. Anderson and Archer Owens representing Lawrence Twp. Tax-payers Association, parties in interest. That the hearing was held in the Arbitration Room, in the Court House, at Clearfield, Pa., on the 3rd day of April A. D. 1933, when the following appearances were noted: C. R. Kramer, Esq., W. A. Hagerty and F. G. Smith in their respective capacities. Albert Hubler, C. E. Roseberry, Geo. W. Lansberry, Homer Zeigler, J. R. Fullerton, J. W. Young and E. E. Lewis and other interested parties: all of whom were sworn, examined and cross-examined by counsel and your Board.

After the view and hearing above mentioned, the undersigned, the majority of the said viewers, do agree that there is        occasion for a road as desired by the petitioner, and that the same is        necessary for a public road: And having had respect to the shortest distance and the best ground for such road we have laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner, and do return for public use the following described road, to wit Beginning at its intersection with the River Road (Improve State Highway leading from Clearfield to Karthus) at the vacant lot of James Dallen, and thence thereby North 26 degrees East 75 feet to a post and thence North 7 degrees 15' East 512 feet and ending at its intersection with public road viewed and laid out to No. 3 May Sessions, 1933 (in Mapes Avenue, opposite the Kerr Addition M. E. Church)

We further find that the aforesaid Road is necessary for the convenience of public travel to and from the M. E. Church; that it is a built-up section and is necessary for the Rural Mail Carrier service which may be abandoned in the event that the road is not kept and maintained in passable and useable condition. That the Lawrence Tax-payers Association at its meeting March 27, 1933, at Mt. Joy, passed a resolution favoring its approval of the petition and having been dedicated by the original owner of Kerr Addition (as Palmer Street), none of the abutting property owners would be damaged thereby but benefitted.

Your Board therefore recommends that the prayer of the petitioners be granted.

and that a plan or draft of said road showing courses and distances and the properties affected is hereto attached and made a part hereof, said road being at an elevation not exceeding five degrees, excepting \_\_\_\_\_

when it was not practical to preserve it within that limit.

The undersigned further report that they endeavored to procure from all the owners of the land over which the said road passes releases in writing of all claims to damages that may arise from opening the same, and that they procured such releases from \_\_\_\_\_

the following persons having refused to release the damages to which they respectfully may be entitled by reason of the location and opening of the said road, we, the undersigned viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof as follows: \_\_\_\_\_

and we herewith return releases obtained and copy of the notices.

WITNESS our hands and seals this 21st day of April  
A. D. 1923.
