RETURN OF VIEWERS

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, be leave to report as follows:

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of

Decatur and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 10th day of September A. D. 1935, and the hearing to be held in the ~~Session~~ ^{Grand Jury} Room, at the Court House, in Clearfield, Pa., on the 13th day of September, 1935, at 10 o'clock M. That three viewers appointed by the said order viewed the ground proposed for the above

mentioned road, and that there were present at the view Ira Winters, Thomas Kerfoot and Herbert Wigfield, Supervisors of Decatur Township; Rev. A.P. Didick, pastor of St. Mary's Orthodox Church, William Polliwcack, John Kowalik and Joseph Danko.

parties in interest. That the hearing was held in the ~~Session~~ ^{Grand Jury} Room, in the Court House, at Clearfield, Pa., on the 13th day of September A. D. 1935, when the following appearances were noted: F.C. Bell, Esq., Solicitor with Thos. Kerfoot, Ira Winters and Herbert Wigfield, Supervisors of Decatur Township; Rev. A.P. Didick, Pastor of St. Mary's Russian Orthodox Greek Catholic Church, Joseph Danko and William Polliwcack, witnesses in behalf of petitioners. All of whom were sworn, examined and cross-examined by Counsel and your Board.

After the view and hearing above mentioned, the undersigned, the majority of the said viewers, do agree that there is no occasion for a road as desired by the petitioner, and that the same is not necessary for a public road: And having had respect to the shortest distance and the best ground for such road we have laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner, and do return for public use the following described road, to wit Beginning at the intersection of the proposed road with the public road leading from Osceola Borough to Scotch Hollow via Curtin Street extension (being Route No. 660-macadamized) at the property line of St. Mary's Russian Orthodox Greek Catholic Church; thence running North 75 degrees 45 minutes West, seven hundred and thirty-five (735) feet and ending at the property line of the said Church Cemetery, in Decatur Township.

We further find that the proposed road traverses a street, 40 feet in width, laid out and dedicated to public use in the plan of lots laid out by the Kittaning Coal Company, the original owner; that the petitioners have erected a substantial and commodious Church edifice for public religious worship, according to their rite, with a local congregation of approximately 68 families, and maintain a public cemetery, in which are interred former members and non-members of the congregation, living within a radius of 30 miles therefrom.

Your Board further finding that there is no objection to the proposed road, as a public road; that the same is necessary for a public road, so as aforesaid laid out; that no damages, direct or consequential, result therefrom; therefore recommends its approval and confirmation by your Honorable Court.
