~~seeking for the~~ petition to have viewers, view a road from point on the Township Road at the Bucher School House; thence in a south easterly direction to a point on the Township road near Lewis Tubo's residence a distance of approximately two miles there being along this proposed road some fifty tax payers and residence that do not have any excess to a public road

RETURN OF VIEWERS

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, be leave to report as follows:

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of Bigler and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 13th day of May A.D. 1936, and the hearing to be held in the ~~Grand Jury~~ Room, at the Court House, in Clearfield, Pa., on the 15th day of May, 1936, at 10 o'clock A.M. That three viewers appointed by the said order viewed the ground proposed for the above mentioned road, and that there were present at the view Ashley E. Hill, J.H. Smith and Wm. H. Ackley, Supervisors of Bigler Township; Mike Warholik, Adam Daniel, Walter Hulgus, petitioners,

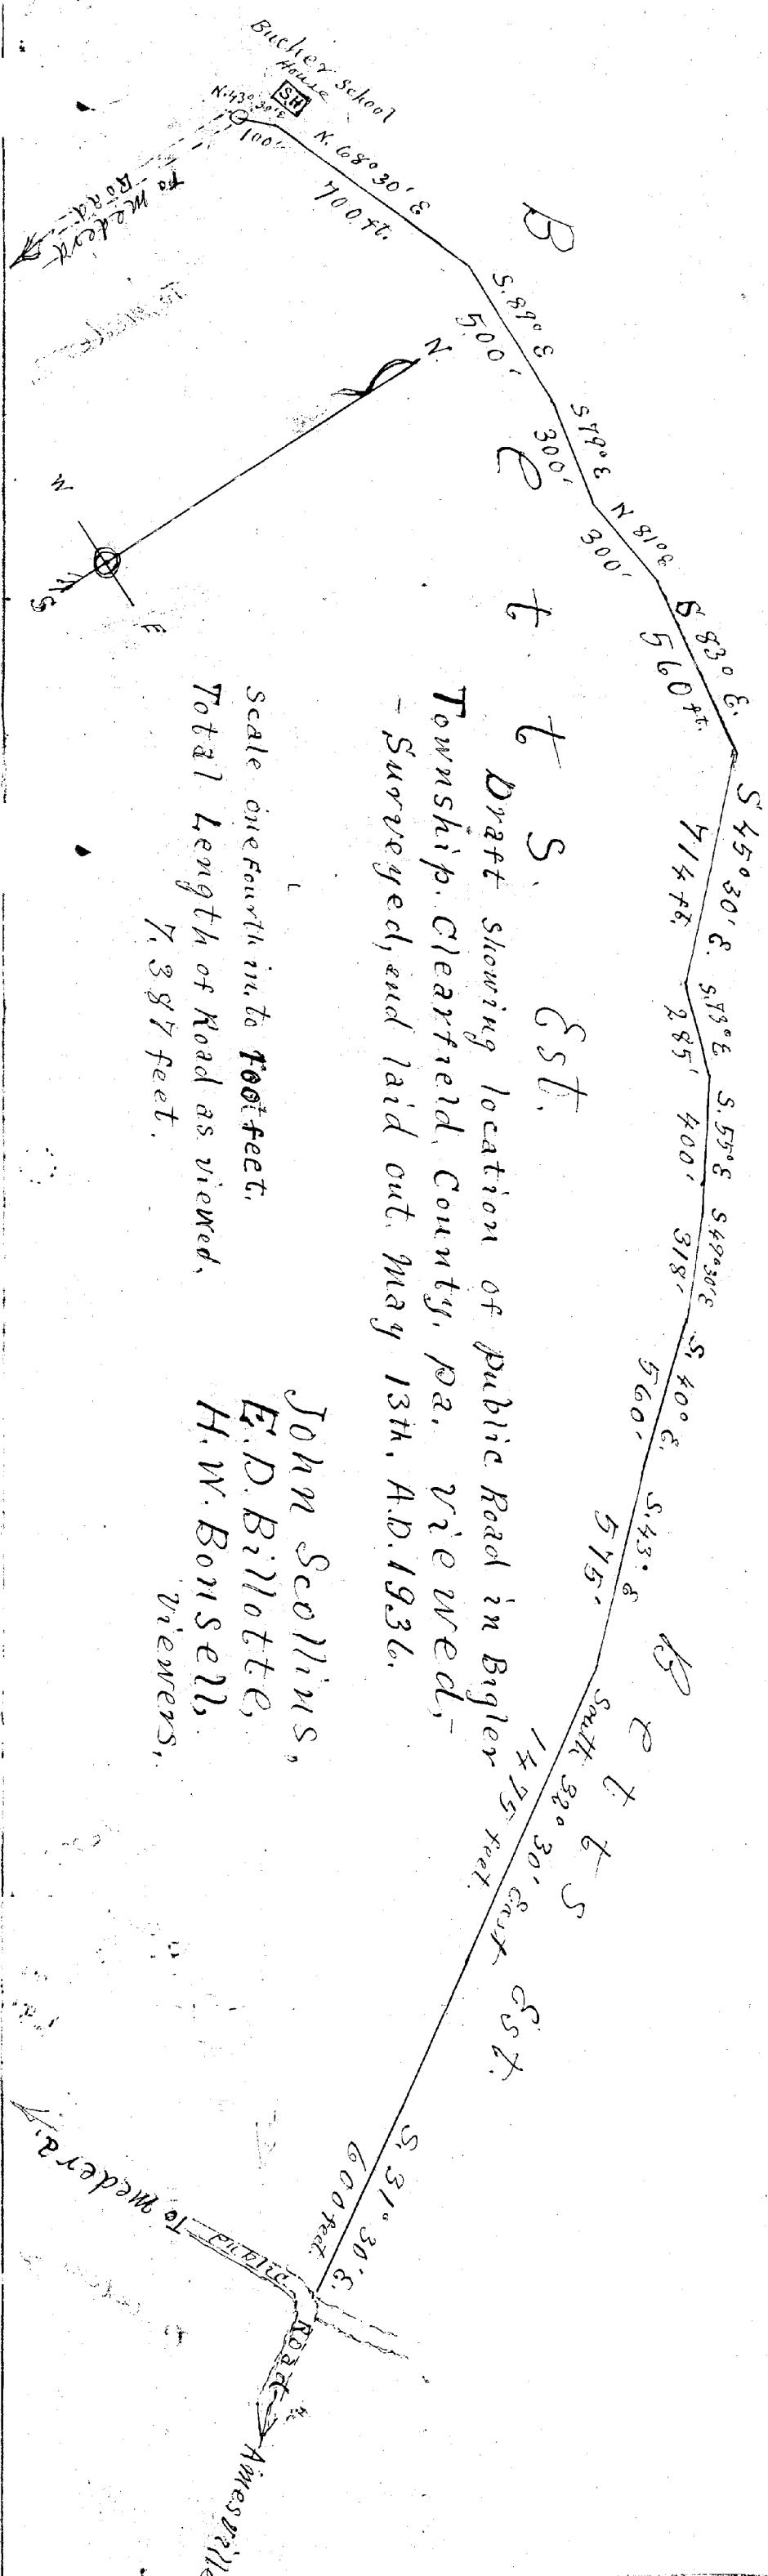

parties in interest. That the hearing was held in the ~~Grand Jury~~ Room, in the Court House, at Clearfield, Pa., on the 15th day of May A.D. 1936, when the following appearances were noted: Adam Daniel, Mike Warholik and Walter Hulgus, petitioners; J. H. Smith, Ashley E. Hill and Wm. H. Ackley, Supervisors of Bigler Township, all of whom were sworn, examined and cross-examined by Members of your Board.

After the view and hearing above mentioned, the undersigned, the majority of the said viewers, do agree that there is no occasion for a road as desired by the petitioner, and that the same is not necessary for a public road: And having had respect to the shortest distance and the best ground for such road we have laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner, ~~and do not for xxxxxxxxxxxxxxxxx~~ use the following described road, to wit Beginning ~~at the township road leading from Madera to Bucher School House, (near the said Bucher School House):~~ thence over lands of the Betz Estate, the following courses and distances, to wit: North 43 degrees 30 minutes East 100 feet to a post; thence North 68 degrees 30 minutes East 700 feet to a post; thence South 89 degrees East 500 feet to a post; thence South 79 degrees East 300 feet to a post; thence North 81 degrees East 300 feet to a post; thence South 83 degrees East 560 feet to a post; thence South 45 degrees 30 minutes East 714 feet to a post; thence South 73 degrees East 285 feet to a post; thence South 55 degrees East 400 feet to a post; thence South 49 degrees 30 minutes East 318 feet to a post; thence South 40 degrees East 560 feet to a post; thence South 43 degrees East 575 feet to a post; thence South 32 degrees 30 minutes East 1475 feet to a post; and thence South 31 degrees 30 minutes East 600 feet, and ending at the intersection of the public roads leading to Madera and Amesville; but after the view and hearing aforesaid, your Board finds that the said road is unnecessary for public purposes.

We further find that there are 17 families living along the course of said road, in what is known as #18 and Harp Hollow, and would be served thereby, with homes erected upon ground-rent leases from the Middle Penna. Coal Corp. with no well defined or well laid-out streets or alleys, but the petitioners were willing that their fences should be moved to build the aforesaid road.

That the petitioners trade mostly in Madera, and the children of school age attend "Bucher" and "Betz" grade schools and Bigler Township High School, with public roads thereto from Bucher School House; that mining has been abandoned at Betz and Bucher Mines (except for custom coal) and the Railroad to #18 has recently been torn up and removed.

That the petitioners suffer inconvenience for want of a maintained public road; that deliveries of goods and necessities to their homes, with auto trucks and motor cars is impracticable;

that the Doctors refuse to answer calls beyond Bucher; that they are drifted in with snow in the winter months; but that the cost of building said road would be excessive, requiring \$1000.00 for sewer pipe; \$2000.00 for grading and material and \$15000.00 for labor.

That the assessed valuation of the Township has been reduced from \$1,500,000.00 in 1922 to \$400,000.00 in 1936; with a bonded indebtedness of \$41,000.00 (incurred when the aforesaid Mines were operating), and the tax-payers are burdened with extra millage to meet these funded obligations by special permission of your Honorable Court.

After the view and hear aforesaid, and in view of the foregoing findings of fact, your Board concludes that the aforesaid road is unnecessary, and that the prayer of the petitioners should be denied. We further certify that John Scollins, of your Board, being counsel to the Board of Supervisors, took no part in the discussion and decision in this matter.

and that a plan or draft of said road showing courses and distances and the properties affected is hereto attached and made a part hereof, said road being at an elevation not exceeding five degrees, ~~excepting~~

when it was not practical to preserve it within that limit.

The undersigned further report that they endeavored to procure from all the owners of the land over which the said road passes releases in writing of all claims to damages that may arise from opening the same, and that they procured such releases from
