

DOCKET No. 6

Number Term Year

9 December 1938

Petition to vacate a section of

Public Road in Sandy Township

Versus

IN THE COURT OF QUARTER SESSIONS OF CLEARFIELD
COUNTY, PENNSYLVANIA.

To Hon. W. Wallace Smith, President Judge of the said Court:

Your undersigned petitioners, who are Supervisors of the Township of Sandy, in said County of Clearfield, respectfully represent;

That the Department of Highways of the Commonwealth of Pennsylvania have recently relocated a part of Route No. 17030 in said Township, between the Village of Oklahoma and the Gelnett School House, for the purpose of eliminating a right angle therein, near the Thomas Keen house, and that a portion of the old road beginning at the intersection of Routes Nos. 370 & 372, with the said Route No. 17030, and extending easterly, from said intersection, across the LaBorde Branch of Sandy Creek, to the point of intersection of the newly built piece of road, with the original road, and being about 384 feet, has in consequence been returned by the Highway Department to care of the Supervisors of Sandy Township;

That in this section, there is the bridge across the said LaBorde Branch of Sandy Creek, which is of doubtful security, and that in addition, the said 384 foot piece of highway has been abandoned by the traveling public;

Wherefore it appearing to your petitioners, that the said section of road is useless, inconvenient and burdensome to the Township of Sandy and ought to be vacated as a section of public road, your petitioners pray that the Court may appoint Viewers to view and vacate the same. And they will ever pray.

W. WALLACE SMITH

By the Honorable ~~XXXXXXXXXX~~ President Judge of the said Court: Upon the petition of sundry Supervisors ~~inhabitants~~ of the Township of Sandy, in the County aforesaid setting forth that

That the Department of Highways of the Commonwealth of Pennsylvania have recently relocated a part of Route No. 17030 in said Township, between the Village of Oklahoma and the Gelnett School House, for the purpose of eliminating a right angle therein, near the Thomas Keen house, and that a portion of the old road beginning at the intersection of Routes Nos. 370 & 372, with the said Route No. 17030, and extending easterly, from said intersection, across the LaBorde Branch of Sandy Creek, to the point of intersection of the newly built piece of road, with the original road, and being about 384 feet, has in consequence been returned by the Highway Department to care of the Supervisors of Sandy Township;

That in this section, there is the bridge across the said LaBorde Branch of Sandy Creek, which is of doubtful security, and that in addition, the said 384 foot piece of highway has been abandoned by the traveling public:

Wherefore, it appearing that the said section of road is useless, inconvenient and burdensome to the Township of Sandy and ought to be vacated as a section of public road, your petitioners pray that the Court appoint Viewers to view and vacate the same.

and, therefore, praying the Court to appoint proper persons to view and vacate said road between the points mentioned, whereupon the said Court, upon due consideration had of the premises, do order and ap-

and J. E. Fry who have been duly appointed by the said Court on the County Board of Viewers, and filed their oaths of office in the office of the Court of Common Pleas of the County aforesaid, as required by law and are, therefore, duly qualified to perform the duties of their appointment, with impartiality and according to the best of their judgment; are to view the said road, and after having viewed the same, if they, or a majority of them, do agree that there is no necessity for said road, they shall proceed to vacate the same as agreeably to the desire of the petitioners as may be, and make report thereof to the next Court of Quarter Sessions to be held in and for said County, stating particularly whether there is any necessity for said road, or whether the same should be vacated; and the reason why, together with a plot, or draft, thereof showing the courses and distances with reference to the improvements through which said road passes.

And in case the viewers aforesaid shall decide in favor of vacating said road, they shall obtain from the persons through whose lands the said road passes, or otherwise affected, or damaged, by the vacating of said road, releases from whatever damage they may sustain by the vacation of said road; and in case the owners of such lands, or persons affected, thereby refuse to release their claim to damages, the said Viewers shall assess the same, taking into consideration the advantages, as well as the disadvantages, arising from the vacation of said road; and make report of such assessment; which report they shall in like manner transmit to the next Court of Quarter Sessions, with the draft, or plot, aforesaid. In which said reports they shall state that they have been sworn, or affirmed, according to law, and that due and legal notice was given of the time when and the place where they would meet, to view said road and the time and place of hearing.

RETURN OF VIEWERS.

TO THE HONORABLE THE JUDGE OF QUARTER SESSIONS OF THE PEACE, IN AND FOR THE
COUNTY OF CLEARFIELD, PA.

We, the undersigned Viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, beg leave to report as follows:

That notice of the time of the view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County, and the Board of Supervisors of the Township of Sandy, and that three notices thereof were posted along the route of the said road to be vacated; that the said view would be held on the

29th day of November, A. D. 1938, and that the public hearing, as required by the Act of Assembly, and the Rules of Court, would be held in the ~~Session~~ Grand Jury Room in the Court House, in Clearfield,

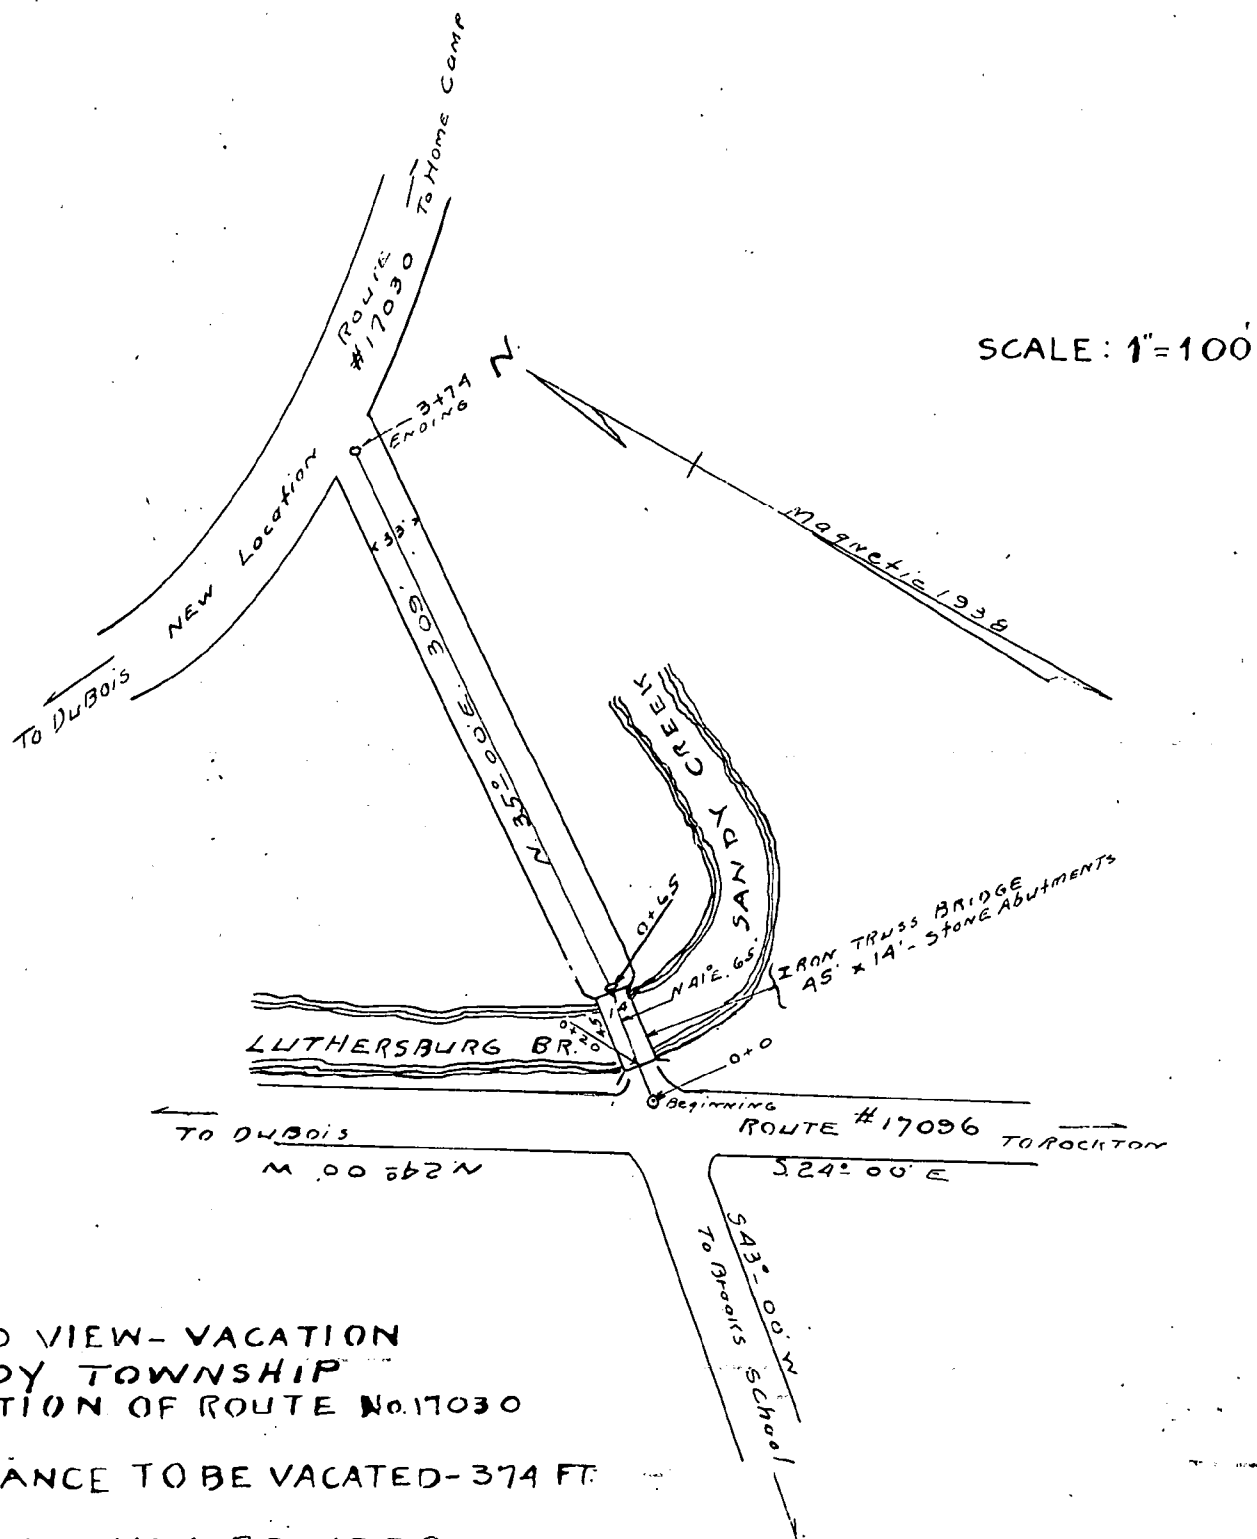

Pa., on the 2nd day of December A. D., 19 38 at 10 o'clock A. M., and that said Viewers, appointed by the said order, viewed the road desired to be vacated, and that there were present at the view Jerry Brown, Member of the Board of Supervisors of Sandy Township and the the Board of Viewers.

parties interested, either in favor of or against vacating said road. And that the aforesaid hearing was held in the ~~Session~~ Grand Jury Room in the Court House, in Clearfield, Pa., on the 2nd day of December,

A. D. 1938, when the parties interested in the said road were in attendance: Jerry Brown, Member of the Board of Supervisors of Sandy Township, who was duly sworn, examined and cross-examined by your Board.

And that after the view and hearing above mentioned, the undersigned Viewers do agree that said road has , become useless, inconvenient and burdensome, to wit: Beginning at the intersection of that portion of the original public road leading to the Brooks School and the Northern line of an improved road leading from Du Bois to Rockton, known as Route No. 17096 (formerly 370 and 372 of the State Highway's Dirt roads), and thence running North 41 degrees, 00 minutes East, across the Luthersburg Branch of Sandy Creek, with an Iron Truss Bridge, (45' x 14' with stone abutments), sixty-five (65) feet to a post; thence running North 35 degrees, 00 minutes East, three hundred and nine (309) feet to post on line of intersection with the New location, State Highway Route No. 17030 leading from Du Bois to Home Camp and the Gelnett School House.

We further find that the Department of Highways during 1938 re-located and re-built Routes No. 17030 and 17096, and improved them, and notified the Board of Supervisors of Sandy Township that the above described road proposed for vacation had been returned to Sandy Township to be cared for and maintained; that the Bridge across the Luthersburg Branch of Sandy Creek is in need of repair and re-flooring, and dangerous for
