

IN THE COURT OF QUARTER SESSIONS  
OF CLEARFIELD COUNTY, PENNA.

No. 11, Sept. Sessions, 1938

In re: Application for the  
Laying out of a Public Road  
in Greenwood Township

CERTIFIED COPY OF RESOLUTION

, Myra E. Lucas, Chief Clerk for the County Commissioners, Clearfield County, hereby certify that the said County Commissioners at a meeting held the 2nd day of December, 1938, duly adopted the following premises and resolution:

"WHEREAS, in a proceeding filed in the Court of Quarter Sessions of Clearfield County to No. 11, September Sessions, 1938, viewers were appointed by the Court to view and lay out a road and bridge for public use in Greenwood Township, and

"WHEREAS, from the viewers' report filed on said proceeding it appears that the viewers,

'are of the opinion that a bridge over the Susquehanna River as presently erected and where the proposed supply road crosses the said river, is necessary and that the cost of said bridge, as well as the necessary repairs thereto in changing it from a railroad to a road bridge, would be attended with more expense than it is reasonable that the said Township of Greenwood should bear',

and

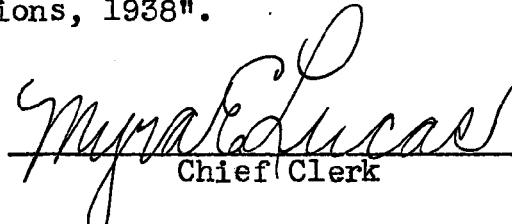

"WHEREAS, it further appears from the viewers' report that the said board of viewers recommends, inter alia,

'the purchase and reconditioning of the present bridge across the Susquehanna River, as a County bridge',

and

"WHEREAS, the County Commissioners are of opinion that said bridge is too narrow and is unsuited for safe public travel and the purchase and maintenance thereof will entail an unnecessary expenditure of public funds,

"Now therefore be it resolved that the County Commissioners hereby disapprove the purchase and reconditioning of the said bridge across the Susquehanna River as a County bridge and refuse to accept said bridge as a County bridge; Further resolved that a certified copy hereof shall be filed in the Court of Quarter Sessions of Clearfield County to No. 11, September Sessions, 1938".
