That said road should begin at a point on the present State Highway known as Route No. 353, at or near the residence of Michael Dombrosky, and extend to a point near Whiteside Run, at or near the residence of Albert Gmerek in the settlement known as both points being located in the Township of Woodward.

E. D. Billotte and H. W. Bonsall

who have been duly appointed by the Court and filed their oaths of office and are duly qualified to perform the duties of their appointment with impartiality and according to the best of their judgement, are to view the ground proposed for the said road, and if they view the same, and a majority of the actual viewers agree that there is occasion for such road they shall proceed to lay out the same, as agreeable to the desire of the petitioner as may be, having respect to the best ground for a road and the shortest distance, in such a manner as to do the least injury to private property; and shall make report thereof, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances and references to the improvements through which the same may pass; (and wherever practicable, the viewers shall lay out the said road at an elevation not exceeding five degrees, except at the crossing of ravines and streams, when by moderate filling and bridging the declination of the road may be preserved within that limit,) to the next Court of Quarter Sessions to be held for the said County.

In which said reports they shall state that they have been sworn or affirmed according to law, and that due and legal notice was given of the time when, and place where, they should meet, to view and lay out said road, and the time and place of hearing.

RETURN OF VIEWERS

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, be leave to report as follows:

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of Woodward and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 25th day of August A. D. 1938, and the hearing to be held in the ~~Arbitration~~ ^{Grand Jury} Room, at the Court House, in Clearfield, Pa., on the 29th day of August, 1938, at 10 o'clock A.M. That the three viewers appointed by the said order viewed the ground proposed for the above mentioned road, and that there were present at the view Ashley Martin, John P. McDermott and James Yarger, ^{Supervisors of Woodward Twp., J. Howard Smith, Esq., Atty for petitioners; John Tomko, Sr., John Tomko, Jr., William Concel, Mike Lenkavich, Louis Szumansky, John Szumansky, Tony Waslowsky, James Laskowsky, James Concel, Frank Concel, John Gavlak, Paul Gavlak, Stephen Horchak, Mike Horchak, et al.} parties in interest. That the hearing was held in the ~~Arbitration~~ ^{Grand Jury} Room, in the Court House, at Clearfield, Pa., on the 29th day of August A. D. 1938, when the following appearances were noted: Frank Concel, Walter Laskowsky, Stephen Horchak, Geo. T. Dahlin, Geo. W. Minds, Albert Gemerek, Joseph Gmerek, Roy Dahlin, and John P. McDermott, Supervisor of Woodward Twp., with J. Howard Smith, Esq., Atty. for petitioners. Hearing adjourned until September 22d, 1938, at same hour, to obtain Court allowance to amendment of petition. Ashley Martin, John P. McDermott, Supervisors, Geo. T. Dahlin, Stephen Horchak, Joseph Gmerek, Geo. W. Minds, sworn, examined and cross-examined.

After the view and hearing above mentioned, the undersigned, the majority of the said viewers, do agree that there is no occasion for a road as desired by the petitioner, and that the same is not necessary for a public road: And having had respect to the shortest distance and the best ground for such road we have laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner, and do return for public use the following described road, to wit Beginning at a point on the present State Highway known as Route No. 353 at or near the residence of Michael Dombrosky (Houtzdale-Ginter route) thence South 87 degrees 30 minutes East along a street as laid out and dedicated to public use by the Kittanning Coal Company, five hundred and ninety feet to a post; thence South 87 degrees 30 minutes East, thereby, eight hundred and eighty-five (885) feet to centre line of Kirk Street (at or near the property of Jas. Concel); thence thereby South 23 degrees East, two hundred and twenty-eight (228) feet to Whiteside Run; thence still thereby South 23 degrees East two hundred and four (204) feet to right-of-way of Whiteside Branch of Pennsylvania Railroad; thence still thereby, crossing said railroad at grade, South 23 degrees East five hundred and eighteen (518) feet to post; thence still thereby (Kirk Street) South 44 degrees East three hundred and eighty-nine (389) feet to a post; thence still thereby (Kirk Street) South 45 degrees East two hundred and sixty-five (265) feet to a post; and thence still thereby South 60 degrees East, two hundred (200) feet and ending at intersection of said Kirk Street and Third Avenue of Kittanning Coal Company's plan of the Village of Woodward, at the property of Stephen Horchak: said Third Avenue being the Road leading to Lingle Mines.

We further find that that section of Woodward Township, through which the proposed road passes is built-up and improved with residences; that the lands on either side are arable, and in a good state of cultivation; that there are also school-children

many of them of young and tender years who are obliged to travel the railroad in going to and from school; that this Village has been neglected for years in the matter of publicly maintained roads and have been compelled to maintain them themselves; that merchants and physicians refuse to deliver goods or make calls therein in the wet and rainy seasons, the roads being impassable.

That there are three bituminous coal mines to be served hereby, at present employing 34 miners, with capacity for 105 men.

Wherefore the said road so as aforesaid laid out, in our opinion is necessary for a public road;

and that a plan or draft of said road showing courses and distances and the properties affected is hereto attached and made a part hereof, said road being at an elevation not exceeding five degrees, excepting _____

when it was not practical to preserve it within that limit.

The undersigned further report that they endeavored to procure from all the owners of the land over which the said road passes releases in writing of all claims to damages that may arise from opening the same, and that they procured such releases from no one; the proposed road being laid out over the public right-of-way as dedicated for public use by the Kittanning Coal Company, the original grantor;

the following persons having refused to release the damages to which they respectfully may be entitled by reason of the location and opening of the said road, we, the undersigned viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof as follows: No damages assessed

and we herewith return releases obtained and copy of the notices.
