H. E. Reese and Thomas C. McGarvey

who have been duly appointed by the Court and filed their oaths of office and are duly qualified to perform the duties of their appointment with impartiality and according to the best of their judgement, are to view the ground proposed for the said road, and if they view the same, and a majority of the actual viewers agree that there is occasion for such road they shall proceed to lay out the same, as agreeable to the desire of the petitioner as may, be, having respect to the best ground for a road and the shortest distance, in such a manner as to do the least injury to private property; and shall make report thereof, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances and references to the improvements through which the same may pass; (and wherever practicable, the viewers shall lay out the said road at an elevation not exceeding five degrees, except at the crossing of ravines and streams, when by moderate filling and bridging the declination of the road may be preserved within that limit,) to the next Court of Quarter Sessions to be held for the said County.

RETURN OF VIEWERS

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, be leave to report as follows:

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of Cooper and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 27th day of May ^{Grand Jury} A. D. 1921, and the hearing to be held in the ~~Arbitration~~ Room, at the Court House, in Clearfield, Pa., on the 29th day of May, 1921, at 10:30 o'clock A. M. That three viewers appointed by the said order viewed the ground proposed for the above mentioned road, and that there were present at the view Charles Westberg and Harry Rothrock, Supervisors of Cooper Township

parties in interest. That the hearing was held in the ~~Arbitration~~ Room, in the Court House, at Clearfield, Pa., on the 29th day of May A. D. 1921, when the following appearances were noted: W. Albert Ramey, Esquire, Solicitor for Cooper Township Road District, together with Harry Rothrock and Charles Westberg, Supervisors of Cooper Township.

After the view and hearing above mentioned, the undersigned, the majority of the said viewers, do agree that there is occasion for a road as desired by the petitioner, and that the same is necessary for a public road: And having had respect to the shortest distance and the best ground for such road we have laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner, and do return for public use the following described road, to wit Beginning at a point on State Highway Route # 17066 at the Lars Kask property in the village of Grassflat, Clearfield County, Pennsylvania; thence in a Northerly direction along Indiana Street as laid out and dedicated in the plan or plot of the village of Grassflat, Seven hundred and seventy-four (774) feet to the northern property line of the Grassflat Public School

That the proposed road is laid out over ~~xx~~ a dedicated street in the village of Grassflat, known as Indiana Street, which has a width of thirty (30) feet, the same being fenced on either side by the abutting property owners. That said street serves as the only means of access to and from two of the Grade Schools of Cooper Township, and since said street is in a bad state of repair due to lack of grading and improper drainage, and it appearing to your undersigned Board of Viewer's that the newly proposed road over said street is necessary for the convenience and advantage of of the children of school age who must travel said road as well as for the convenience of the traveling public, it is therefore recommended that said proposed road be approved and that the same be maintained at public expense.

That there is no objection on the part of the tax payers or by the Supervisors of Cooper Township to the taking over and maintaining said street as a public road for the convenience and advantage of the traveling public, and in order that there be no damage to abutting property owners your undersigned viewers do hereby establish the width of said newly proposed road to be thirty (30) feet or not to exceed the dedicated width of Indiana Street over which said newly proposed road is to be constructed.

and that a plan or draft of said road showing courses and distances and the properties affected is hereto attached and made a part hereof, said road being at an elevation not exceeding five degrees, ~~excepting~~ _____

when it was not practical to preserve it within that limit.

The undersigned further report that they endeavored to procure from all the owners of the land over which the said road passes releases in writing of all claims to damages that may arise from opening the same, and that they procured such releases from

the following persons having refused to release the damages to which they respectfully may be entitled by reason of the location and opening of the said road, we the undersigned view, after having considered the advantages to be derived to them, do assess them damages and make report thereof as follows:

and we herewith return releases obtained and copy of the notices.
