RETURN OF VIEWERS

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, be leave to report as follows:

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of Decatur and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 19th day of November, A. D. 1941, and the hearing to be held in the ^{Grand Jury} ~~Adoption~~ Room, at the Court House, in Clearfield, Pa., on the 22d day of November, 1941, at 10 o'clock A.M. That the three viewers appointed by the said order viewed the ground proposed for the above mentioned road, and that there were present at the view Walter Goss, Chas. B. Kephart, Hugh Kephart, Albert Krause, Collis Hummell, Otto Williams, Lester Phillips, Lloyd Russell, John Dixon and Willis Hummell, F. S. Beish,

parties in interest. That the hearing was held in the ^{Grand Jury} ~~Adoption~~ Room, in the Court House, at Clearfield, Pa., on the 22nd day of November A. D. 1941, when the following appearances were noted: Edward T. Kelley, Esq., for the petitioners; Ira Winters and Rosewell Butterworth, Supervisors of Decatur Twp., Walter, Goss, Lloyd Russell, Collis Hummell, Otis Williams, Hugh Kephart, F. S. Beish, and John Dixon, all of whom were sworn, examined and cross-examined by Counsel and your Board.

After the view and hearing above mentioned, the undersigned, the majority of the said viewers, do agree that there is an occasion for a road as desired by the petitioner, and that the same is necessary for a public road: And having had respect to the shortest distance and the best ground for such road we have laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner, and do return for public use the following described road, to wit Beginning at a point on State Legislative Route 17049 at the southwest corner of the Ohio-settlement School house lot, and thence thereby and lands of the General Refractories Company North 85 degrees East, six hundred (600) feet to post on lands of said General Refractories Company; thence still thereby North 72 degrees 30 minutes East, two hundred and twelve (212) feet to post; thence still thereby South 86 degrees 30 minutes West, five hundred and nine (509) feet to middle of General Refractories Tram-road; and thence still thereby, following the same course, two hundred and forty-three (243) feet to post; thence still by lands of General Refractories Co., South 5 degrees West, seventy-nine (79) feet to common corner of lands of Morley Hampton and Walter Goss; thence along lands of Hampton and Goss aforesaid, South 5 degrees West, five hundred and sixty-two (562) feet to post, at land of Hugh Kephart; and thence thereby and lands of General Refractories Co., the same course, one thousand (1000) feet to a post at Lane; and thence still thereby, the same course, five hundred and sixty-six (566) feet to post, corner of land of Daniel Smeal; thence thereby and lands of General Refractories Co., the same course, five hundred and sixty-six and one-half (566½) feet to post on other land of General Refractories Company; and thence thereby, and lands of Philipsburg Coal & Land Company, known as the "Hoover & Meek tract" North 85 degrees East, twenty-seven hundred and thirty-nine (2739) feet to post, corner of Baughman Estate; and thence North 28 degrees West along lands of General Refractories Company, four hundred (400)

(400) feet to post; and thence still thereby, North 53 degrees West, eighty-six (86) feet and ending in State Legislative Route 17049.

We further find as a fact that the proposed road follows the same courses of an existing private road now maintained by the interested parties, and is necessary for the accomodation and outlet for nine families and their children of School-age; Fire-clay Mines of the Westmoreland, Osceola Silica, and General Refractories Companies, and their miners and employees; it has a good, stone base and will be practically free of snow-drifts in Winter seasons, and can be readily converted into a U.S. Mail route.

and that a plan or draft of said road showing courses and distances and the properties affected is hereto attached and made a part hereof, said road being at an elevation not exceeding five degrees, excepting _____

when it was not practical to preserve it within that limit.

The undersigned further report that they endeavored to procure from all the owners of the land over which the said road passes releases in writing of all claims to damages that may arise from opening the same, and that they procured such releases from Morley Hampton, Walter Goss, Hugh Kephart and Daniel Smeal,

the following persons having refused to release the damages to which they respectfully may be entitled by reason of the location and opening of the said road, we, the undersigned viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof as follows: General Refractories Company, One (\$1.00) Dollar; and Philipsburg Coal & Land Company, One (\$1.00) Dollar,

and we herewith return releases obtained and copy of the notices.

WITNESS our hands and seals this 28th day of November
A. D. 1941.
