Clearfield County, ss:

At a Court of Quarter Sessions of the Peace of the County of Clearfield, held at Clearfield, Pa., in and for said County, on the 19th day of June  
in the year of our Lord one thousand nine hundred Forty-two.

Judge of the same Court: Upon the petition of sundry inhabitants of the Township of Sandy in said County, setting forth that they labor under a great inconvenience for want of a public road or highway in the township of Sandy, to begin at a point on the intersection of Hand Street and Northwood Avenue, in the Wilson Terrace Addition of the said Township, and thence Westerly to Main Street Extension, at a point two hundred (200) feet North of the residence of Pete Heberling, along said South Main Street Extension.

and therefore, praying the Court to appoint proper persons to view and lay out the road between the points mentioned, whereupon the Court upon due consideration had of the premises, do order and appoint from and among the County Board of Viewers John A. Cherry, Esq., J. E. Fry and H. W. Bonsall

who have been duly appointed by the Court and filed their oaths of office and are duly qualified to perform the duties of their appointment with impartiality and according to the best of their judgement, are to view the ground proposed for the said road, and if they view the same, and a majority of the actual viewers agree that there is occasion for such road they shall proceed to lay out the same, as agreeable to the desire of the petitioner as may, be, having respect to the best ground for a road and the shortest distance, in such a manner as to do the least injury to private property; and shall make report thereof, stating particularly whether they judge the same necessary for a public or private road, together with a plot or draft thereof, and the courses and distances and references to the improvements through which the same may pass; (and wherever practicable, the viewers shall lay out the said road at an elevation not exceeding five degrees, except at the crossing of ravines and streams, when by moderate filling and bridging the declination of the road may be preserved within that limit,) to the next Court of Quarter Sessions to be held for the said County.

And if the viewers aforesaid shall decide in favor of locating a public road, they shall obtain from the persons through whose lands the said road shall pass, releases from any damages that may arise to them on opening the same; but if the owner or owners of such land refuse to release their claim to damages, the said viewers shall assess the same, taking into view the advantages as well as disadvantages arising from said location, and make report of such assessments; which report they shall in like manner transmit to the next Court of Quarter Sessions, with the draft or plot aforesaid. In which said reports they shall state that they have been sworn or affirmed according to law, and that due and legal notice was given of the time when, and place where, they should meet, to view and lay out said road, and the time and place of hearing.

By order of the Court. W. Wallace Smith, P. J.

J. Harold McFadden, Clerk.

and that a plan or draft of said road showing courses and distances and the properties affected is hereto attached and made a part hereof, said road being at an elevation not exceeding five degrees, excepting \_\_\_\_\_

when it was not practical to preserve it within that limit.

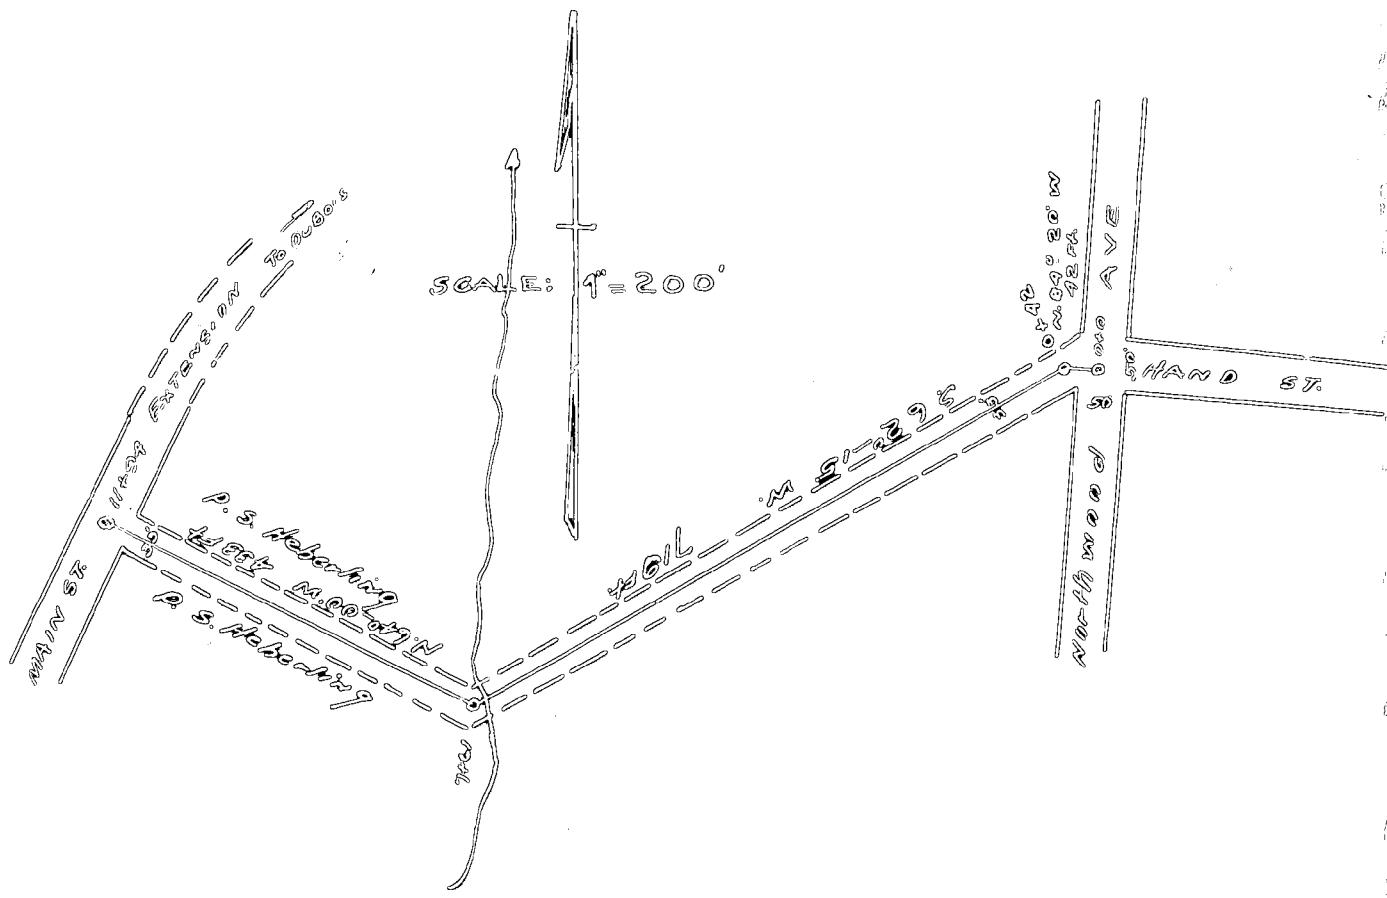

The undersigned further report that they endeavored to procure from all the owners of the land over which the said road passes releases in writing of all claims to damages that may arise from opening the same, and that they procured such releases from \_\_\_\_\_

the following persons having refused to release the damages to which they respectfully may be entitled by reason of the location and opening of the said road, we, the undersigned viewers, after having considered the advantages to be derived to them, do assess them damages and make report thereof as follows: \_\_\_\_\_

and we herewith return releases obtained and copy of the notices.
