TO THE HONORABLE F. CORTEZ BELL, PRESIDENT JUDGE OF SAID COURT:

The petition of the undersigned Supervisors of Penn
Township respectfully represents:

1. There is a bridge existing on Township Route 472,
in the Township of Penn, County of Clearfield and State of Pennsylv-
vania, at a point approximately 300 feet South of the intersection
of said Township Route 472, with Legislative Route 59, where a
small creek crosses said Township Route 472, and being known as
the road from State Route 59 at Grampian to the Village of Stronach.

2. The existing bridge on said road over the stream
above mentioned, is now unfit for use and unsafe and has been con-
demned, and the reconstruction and replacement thereof is neces-
sary for the benefit and use of the traveling public.

3. The erection and construction of a bridge to take
the place of the existing bridge over the said creek on said Town-
ship Route 472 is necessary as aforesaid, and will require more
expense than it is reasonable for said Penn Township to bear, said
expense will be approximately Five Thousand Dollars (\$5000.00), and
probably in excess thereof.

4. To replace the existing condemned bridge will, as aforesaid, require the construction of a new bridge, with a new approach and the change of the creek channel.

WHEREFORE, your petitioners respectfully pray your honorable Court to appoint Viewers to ^{visit} ~~fix~~ the said locality and after hearing thereon to report to your honorable Court as in such case made and provided.

Clearfield County, ss:

At a Court of Quarter Sessions of the Peace of the county of Clearfield
Pennsylvania, held at Clearfield, in and for said county on the 28th

day of March, A. D. 19 46

before Judge of said Court, upon a petition of sundry inhabitants of the town-
ship of Penn in said County, setting forth

that there is a bridge existing on Township Route 472,

in the Township of Penn, County of Clearfield, Pa. at a point approximately 300
feet South of the intersection of said Township Route 472, with Legislative Route
59, where a small creek crosses said Township Route 472, and being known as the
road from State Route 59 at Grampian to the Village of Stronach.

The existing bridge on said road over the stream above mentioned, is now
unfit for use and unsafe and has been condemned, and the reconstruction and re-
placement thereof is necessary for the benefit and use of the traveling public.

The erection and construction of a bridge to take the place of the existing
bridge over the said creek on said Township Route 472 is necessary as aforesaid,
and will require more expense than it is reasonable for said Penn Township to
bear, said expense will be approximately Five Thousand Dollars, (\$5000.00), and
probably in excess thereof.

To replace the existing condemned bridge will, as aforesaid, require the
construction of a new bridge, with a new approach and the change of the creek
channel.

and therefore paying the Court to appoint proper persons to view and lay out the same according to law,

where upon the Court upon due consideration had of the premises do order and appoint A. B. Shaw,

W. H. Yost and Ed Pooler

who after being respectively sworn or affirmed to perform their duties impartially and to the best of their judgment, are
to view the place proposed for the said bridge, and if they or any two of them, view the same, and any

two of the actual viewers agree that there is occasion for such a bridge, and that the erecting of the said bridge

could require more expense than it would be reasonable the said townships should bear, they are to make report accord-

The estimated cost of the construction of the above mentioned bridge in
accordance with State Highway specifications, which will meet with the
approval of the Dept. of Forest & Waters, is \$15,000.00 and is in excess of the
amount Penn Township can afford to pay. The Township according to testimony offered
before the viewers can expend from the general fund for the construction of said
bridge the sum of \$2,500.00 The only other means of financing the construction of
said bridge would be through a bond issue whereby the sum of approximately \$3,100.00
could be raised by the supervisors by increasing the indebtedness of said township
2% of its assessed valuation amounting to the sum of \$159,980.00 Through an election
whereby said indebtedness could be increased to 7% of the assessed valuation and if
approved by the electorate of Penn Township the sum of approximately \$11,100.00
could be raised toward the construction of said bridge. This means of financing the
construction of said bridge would place a great burden upon the tax payers of the
Township and a map or plot thereof to be made, which shall accompany said report; the report aforesaid to be made to the next
of Penn.

Return of Viewers.

To the Honorable the Judge of the Court of Quarter Sessions of the Peace in and for the County of Clearfield, Pa.

We the undersigned viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court, and have filed their oaths of office in the Court of Common Pleas of Clearfield County, Pa., beg leave to report as follows:

That notice of the time of the view was duly served according to law upon the Commissioners of Clearfield County and on each member of the Board of Supervisors of Penn Township, and that three notices thereof were posted along the public road at and near the location of said bridge, giving notice that the view would be held on _____

Tuesday the 16th day of April A. D. 1946 at 10:00 o'clock A. M. And that the public hearing as required by the Act of Assembly and the Rules of Court Grand Jury would be held in the Arbitration Room, in the Court House in Clearfield, Pa., on Thursday the 18th day of April A. D. 1946 at 10:00 o'clock A. M.

And that the said viewers met on the premises the site or proposed location of said bridge, where the public road leading from Highway Route # 59 in Penn Township to the village of Stronach in Penn Township on Tuesday the 16th day of April A. D. 1946 at 10:00 o'clock A. M. and that there were present at the view Oscar Anderson and Clair Wigglesworth, Supervisors of Penn Township, also Alfred Seger, property owner, residing near said proposed bridge.

parties interested in said bridge.

And that the said viewers all having been present at the view and after having made said view do agree that there is a necessity for said bridge. That according to the testimony offered before the Viewers the present bridge (now condemned) on Township Route # 472 in Penn Township, the subject of these proceedings, is used considerably more than any bridge in said Township and according to actual count an average of 148 vehicles pass over said bridge every twenty-four hours. That to dispense with said bridge would require the routing of traffic through Grampian Borough; thence over a dirt road to Stronach and vicinity, a distance of about two miles, and for those persons living in the Village of Stronach and vicinity the elimination of said bridge would require them to travel a distance of about two miles to reach the point where Legislative Route #59 intersects with Township Road Route #472 near said village. Furthermore the Township Road which leads from Stronach to Grampian according to the testimony offered by the Supervisors of Penn Township is difficult to maintain and becomes impassable during certain seasons of the year and particularly during the winter months and to eliminate the present bridge on Township Road #472 near the Village of Stronach would create a great hardship to the travelling public and to the individual families living in the Village of Stronach, Penn Township and vicinity.

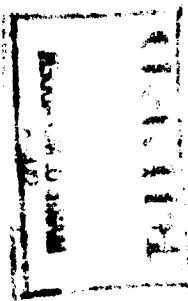

Wherefor, your undersigned Viewers recommend that a new bridge be constructed at public expense, at the aforementioned point in Penn Township, for the use and convenience of the traveling public.

Release of Damages.

Know All Men by These Presents, That we, the undersigned owners of lands upon which the bridge is located by the viewers, ~~under the annexed order, passed~~ for and in consideration of the sum of ONE DOLLAR to us respectively paid by the _____ at and before the ensealing and delivery hereof, have remised, released and forever quit-claimed; and do hereby remise, release, and forever quit-claim to the said _____

_____ all damages that may arise to us respectively by reason of the location or building of said bridge, so that neither we nor any of us, nor any person claiming under us, can or may hereafter ask, sue for, demand, have or receive any damages for injuries arising or growing out of the location or building of said bridge.

Witness our hands and seals this _____ day of _____ A. D. 191 _____

Assessment of Damages.

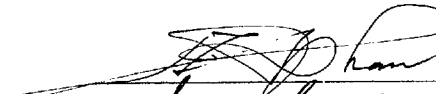

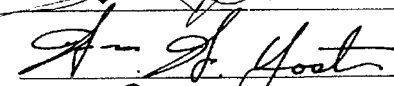

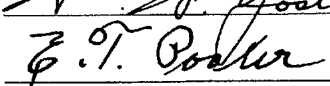

The following persons, having refused to release the damages to which they respectively may be entitled by reason of the location and building of said bridge in the annexed return described, we, the undersigned viewers, under oath in pursuance of our duty, under the Act of Assembly, do assess their damages and make report thereof as follows:

To Harbison-Walker Refs. Co. the sum of \$ 25.00

To Wriglesworth the sum of \$ 40.00

To _____ the sum of _____
