## REPORT AND RESOLUTION

NOW, We, Joseph Young, Wallace Owens and Joseph Thompson,  
Supervisors of Lawrence Township, do make report and resolve in favor  
of the adoption and opening of the road as prayed for in the petition  
as follows:

The original petition was dated August 6, 1949, and upon the filing of the same the Supervisors caused notice to be given and held a meeting for hearing on September 3, 1949.

That at said hearing, the Supervisors decided to adopt said road as prayed for but adjourned the hearing to the Third Saturday of September next in order to permit petitioners to have a draft made and to submit the same for action.

That at the continuous hearing on September 17, 1949 the draft was filed and is attached hereto along with the petition.

That the proposed road is an old road and has been in use for 21 years or more, that said road had become established by said use and the Supervisors believe that the same is so dedicated to public use.

NOW THEREFORE BE IT RESOLVED that the Supervisors of Lawrence Township hereby approve the prayer of the petition and hereby ordain and adopt and lay out as a public road of the Township the road described in the petition and shown by draft.
