Agreement to vacate a road in Sandy

Township.

Versus

COMMONWEALTH OF PENNSYLVANIA
DEPARTMENT OF HIGHWAYS
HARRISBURG

IN REPLY REFER TO O. R. 207
County Clearfield
Route 17096-1
Township Sandy

July 30, 1951

Mr. James A. Nelson, Secretary
Sandy Township Supervisors
Box 66
DuBois, Penna.

Dear Sir:

The Department of Highways in improving State Highway Route 17096-1, within the boundaries of Sandy Township, Clearfield County, has relocated the said highway from a point at Station 145+91 to a point at Station 150+80 a distance of approximately 489 feet or approximately .0926 of a mile; and also from a point at Station 182+65 to a point at Station 191+20 a distance of approximately 855 feet or approximately .1619 of a mile (half width); and also from a point at Station 195+75 to a point at Station 217+00 a distance of approximately 2125 feet or approximately .4025 of a mile; all more fully described and shown on the attached drawing.

By these changes of location the portions of road originally maintained as a part of the State Highway System, between the Stations above referred to, are abandoned as a part of the system and revert as a public highway to the jurisdiction of the officials of your township.

If those officials are of the opinion that the portions abandoned as a State highway route are unnecessary for public use and travel or that they will be burdensome or dangerous, we suggest that legal action leading to their vacation be instituted.

Very truly yours,

Ray F. Smock
Secretary of Highways
