To the Honorable the Judges of the Court of Quarter
Sessions of the Peace in and for the County of Gloucestershire,

The petition of the
undesignated, inhabitants of the Township of Lawrence, in
said County, respectfully sheweth; That a road has
long since ^{been} laid out, "from the river road at or
near William Mafis to the "Goshen Road," at or
near Peter Owens, which road is about one mile
in length and about ~~thirteen~~ ^{six} feet in width, being
located on rough high ground, your petitioners con-
ceive is now become useless, inconvenient and burthen-
some to the inhabitants of said Township. Your
petitioners therefore pray the Court that the said

To the Honorable the Judges of the Court
of Quarter Sessions of the Peace of Cleaveland
County.

The petition of the undersigned citizens of the township of Laurence respectfully represents: That an order to view and locate a road in said township, at March Sessions A.D. 1867, leading from the Ridge Road at Robert Litz's residence to the ~~Township~~ road Abraham Litz's in said township, that said proposed road is unnecessary, that there is a public road connecting the points above mentioned, and that to open said new road would impose upon your petitioners great expense, that already there are more public roads than be kept in repair in said township, and that there are a sufficient number of public roads in the vicinity of this proposed road to accommodate the public, and further that said road would do great damage to private property, and would be expensive and burdensome to the tax-payers of the township to keep in repair. They therefore pray your said Court that said proposed road may not be confirmed, as your petitioners ~~do~~ deem it wholly unnecessary, and they all ever pray &c
