✓4. That the following are the public roads proposed for vacation and abandonment, to wit:

TO THE HONORABLE JOHN J. PENTZ, PRESIDENT JUDGE OF SAID COURT:

Petition of A. B. Shaw, Esq., one of the members of the Clearfield County Board of View, respectfully represents:

1. That your petitioner, together with William Yost and Benjamin Hughes, were appointed by order of your Honorable Court on the 14th day of March, A.D., 1955, as a Board of Viewers to view for vacation and abandonment six (6) separate roads in the Township of Woodward, Clearfield County, Pennsylvania, and to make a report and return thereof to the next Court of Quarter Sessions to be held for Clearfield County.

2. That the aforementioned Board made a view of said roads on the 27th day of April, 1955, and that a hearing was held thereon on the 29th day of April, 1955, which said hearing was continued to the 13th day of May, 1955, in order to complete the necessary and required surveys of said roads petitioned for vacation and to determine the abutting property owners affected by such vacation.

3. RETURN OF VIEWERS.

TO THE HONORABLE THE JUDGE OF QUARTER SESSIONS OF THE PEACE, IN AND FOR THE  
COUNTY OF CLEARFIELD, PA.

We, the undersigned Viewers, duly appointed by your Honorable Court by the foregoing order, from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, beg leave to report as follows:

That notice of the time of the view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County, and the Board of Supervisors of the Township of Woodward

, and that three notices thereof were posted along the route of the said roads to be vacated, that the said view would be held on the 27th day of April , A. D. 1955, and that the public hearing, as required by the Act of Assembly, and the Rules of Court, in the Court House, in Clearfield, Pa., on the 29th day of April A. D., 1955, at 10:30 o'clock A.M., and that said Viewers, appointed by the said order, viewed the road desired to be vacated, and that there were present at the view John J. Peterson, Gordon Fowler and Carl Schwartz, Supervisors of Woodward Township, also Peck Barnett, Trustee of the John M. Chase Estate.

parties interested, either in favor of or against vacating said road. And that the aforesaid hearing was held in the Court House, in Clearfield, Pa., on the 29th day of April , A. D. 1955, when the parties interested in the said road were in attendance:

And that after the view and hearing above mentioned, the undersigned Viewers do agree that ~~xxx~~ certain petitioned for vacation <sup>cer-</sup> road ~~Shaw~~ become useless, inconvenient and burdensome and your undersigned Viewers recommend there vacation for public use; said roads or sections thereof situate in Woodward Township, Clearfield County, Pennsylvania, which are recommended for vacation are specifically described as follows:

THE FIRST THEREOF: Being Township Road Route No. 760, beginning at its intersection with Township Road Route No. 569; thence extending from the property of Leonard Phillips in a northerly direction 0.447 miles in length and ending in a cul de sac, on property of the Harbison Walker Refractories Company.

THE SECOND THEREOF: Being Township Road Route 829, Beginning at the intersection of Legislative Route No. 17047 at the Yarger Gasoline Service Station; thence extending in a southerly direction over Township Road Route No. 829 in a southeasterly direction .0143 miles and ending at its point of intersection with Legislative Route No. 17050 in said Township of Woodward, County of Clearfield, Pennsylvania.

THE THIRD THEREOF: Being Township Road Route No. 584, beginning at its intersection with Legislative Route No. 17078 near the Sanborn School House;

thence extending over said Township Route No. 584 in a northeasterly direction .0723 miles to its point of intersection with Township Road Route No. 575, leading from the Burnt Corner to Clearfield.

THE FOURTH THEREOF: Being Township Road Route No. 661, beginning at its intersection with Township Road Route No. 659; thence extending over Township Road Route No. 661 in an easterly direction .0634 miles and ending at the right-of-way of the Henderson Branch of the Pennsylvania Railroad Company.

The petition requests the vacation of Township Road Route No. 580 from its point of intersection with Township Road Route No. 569 to the Property of Milfred Holman in Woodward Township being a total distance of 1.102 miles. However, your undersigned Viewers after the view and hearings held in this matter and upon taking into consideration the objections raised by Peter Swistock, who has a clay mining operation on the Josephine Lytle property, which abjourns Township Road Route No. 580 and if said road should be vacated as a whole and particularly on the southern property line of Walter Jarrett to the property line of Milfred Holman, he would be denied all means of access to and from the Lytle property to the main highway for the purpose of transporting said clay to market. Wherefore your undersigned Viewers after the view and hearings in this matter and upon making further investigation of the northern and that a plan, or draft, of said road to be vacated showing the courses and distances, and over whose property the said road passes, is hereto attached and made a part hereof.

No damages resulted to the abutting property owners by reason of the vacation and abandonment of the above described Township Roads or sections thereof in Woodward Township.

and we herewith return ~~REDACTED COPY~~ copy of the notices.

portion of Township Road Route No. 580 would have upon the means of access to and from the Josephine Lytle property to the main highway, Your undersigned Viewers recommend that the portion of Township Road Route No. 580, beginning at the southern property line of Walter Jarrett, thence extending in a northerly direction, over said Township Route for a distance of 1,000 feet through the property of Milfred Holman to Township Road Route No. 577, be not vacated, but instead returned as a private road to be kept up and maintained at private expense.

That the following described road petitioned for vacation has not become useless, inconvenient and burdensome and that a majority of your undersigned Viewers do agree, that the same should be continued for public use; said road being specifically described as follows:

BEING Township Road Route No. 582 in the Township of Woodward, beginning at its intersection with Township Road Route No. 565; thence extending in a northerly direction 1.8 miles in length and ending at Township Road Route No. 569.

The vacation of the above described Township Road has been objected by Peter Swistock, who has a stripping operation nearby on Lewis Rowles property, and if said Township Road should be vacated you would have no outlet to the main highway. Objections to the vacation of said Township Road were also raised by Peck Barnett, Trustee of the John M. Chase Estate, and by Kelly and Stine, both of whom have valuable mineral resources in this area, some of which is presently under lease, and if said Township Road should be vacated or abandoned they would be denied an outlet to the main highway for the transportation and marketing of said minerals. That the aforementioned road is not traveled extensively by the traveling public and the cost of the maintenance thereof nominal. Your undersigned Viewers or a majority thereof recommend that said road be continued as a Township Road and maintained at public expense.
