In Re: Public Road in the

VERSUS

In re: Public Road in the: In the Court of Quarter Sessions
Township of Woddward : of Clearfield County, Penn'a.

No. September SS., 1955.

To the Honorable John J. Pentz, President Judge of said Court:

The petition of the undersigned, citizens, inhabitants and tax-payers of the Township of Woodward, in said County of Clearfield, respectfully represents:

1. That your petitioners labor under great inconvenience for want of a public road or highway, beginning at the intersection of the proposed road with Township Route 654, leading from Route 353 to Route 53, in the village of Pacific: thence in an Easterly direction over the abandoned railroad right-of-way to the residence of Andrew Kowatch, approximately 700 feet in length.

2. That the present existing roads and paths traversed in going to and from the improved roads leading to schools, churches, professional offices and business places are unkept, muddy and impassable during wintry and inclement weather, and dangerous for public travel, by children on foot, and motor vehicle travel.

WHEREFORE, your petitioners pray your Honorable Court to appoint a Board of Viewers, to view and lay out a road for public use and travel, according to law.

And they will ever pray.

draft thereof, and the courses and distances and references to the improvements through which

RETURN OF VIEWERS

To the Honorable the Judge of the Court of Quarter Sessions of the Peace for the County of Clearfield:

We, the undersigned viewers, duly appointed by your Honorable Court by the foregoing order from and among the County Board of Viewers who have been duly appointed by your Honorable Court and have filed their oaths of office in the Court of Common Pleas of Clearfield County, be leave to report as follows:

That notice of the time of view and of the hearing day was duly served according to law upon the Commissioners of Clearfield County and the Board of Supervisors of the Township of Woodward and that three notices thereof were posted along the route of the proposed road, that the said view would be held on the 21st day of September A. D. 1955, and the hearing to be held in the ^{No. 2 Court} ~~Admiration~~ Room, at the Court House, in Clearfield, Pa., on the 23rd day of September, 1955, at 10:30 o'clock ^(DST) A. M. That the viewers appointed by the said order viewed the ground proposed for the above mentioned road, and that there were present at the view Gordon Fowler, Carl Swartz, and John J. Higgins, Supervisors of Woodward Township, also Albert Petrisky, Paul Takach, Andrew Kowatch, and Michael B. Susko.

parties in interest. That the hearing was held in the ^{No. 2 Court} ~~Admiration~~ Room, in the Court House, at Clearfield, Pa., on the 23rd day of September A. D. 1955, when the following appearances were noted: Albert Petrisky, Paul Takach, Andrew Kowatch, and Michael B. Susko, also Gordon Fowler, Carl Swartz, and John J. Higgins, Supervisors of Woodward Township.

After the view and hearing above mentioned, the undersigned, the majority of the said viewers, do agree that there is _____ occasion for a road as desired by the petitioner, and that the same is _____ necessary for a public road: And having had respect to the shortest distance and the best ground for such road we have laid out in such manner as shall do the least injury to private property, and as far as practicable agreeably to the desire of the petitioner, and do return for public use the following described road, to wit Beginning at the point of intersection of Township Road Rt. No. 654 in the Village of Pacific, Woodward Township, Clearfield County, Pennsylvania; thence extending in a Northwesterly direction partly over an abandoned railroad right-of-way and partly over a dedicated alley in the Plan or Plot of Lots of the Village of Pacific, a distance of Eleven Hundred Forty-four (1144) feet to the residence of Andrew Kowatch in said Village of Pacific, Woodward Township, Clearfield County, Pennsylvania.

The proposed road herein above described is laid out partly over an old railroad right-of-way which has been abandoned for over fifty (50) years and partly over a dedicated, but unrecorded alleyway which traversed said railroad right-of-way, in the Plan or Plot of Lots of the Village of Pacific, Woodward Township, Clearfield County, Pennsylvania, and has long since been used by the property owners of this area as a private road. That for many years the individual property owners served by said private road, have kept the same in repair at their own cost and expence, and during certain seasons of the year the same becomes impassable, due to lack of proper grading and drainage and in the opinion of your undersigned Viewers, the newly proposed road that has been laid out is necessary for the accomodation and convenience of the traveling public and should be kept up and maintained as a public road at public expense.

There are no objections to the proposed road as layed out in accordance to the great number of Petitioners requesting the same,

including the Supervisors of the Road District of the Township of Woodward, its construction and maintenance seems to be necessary for the accomodation and convenience of the traveling public, as well as, for the convenience and accomodation of the six (6) families living along said proposed road, who must use the same as their only means of excess to and from their homes to the main highway, so in view of these facts your undersigned Board of Viewers recommend the taking over and improvement of the aforesaid proposed road, as laid out by the Road District of the Township of Woodward, for the use of the traveling public.

and that a plan or draft of said road showing courses and distances and the properties affected is hereto attached and made a part hereof, said road being at an elevation not exceeding five degrees, excepting when it was not practical to preserve it within that limit.

And that a plan or draft of said road showing courses and distances and the properties affected is hereto attached and made a part hereof, said road being at an elevation not exceeding five degrees, excepting when it was not practical to preserve it within that limit.

whereby the same may be taken over and improved by the Road District of the Township of Woodward.

That the undersigned Board of Viewers hereby recommend the taking over and improvement of the aforesaid proposed road, as laid out by the Road District of the Township of Woodward, for the use of the traveling public.

And that the undersigned Board of Viewers hereby recommend the taking over and improvement of the aforesaid proposed road, as laid out by the Road District of the Township of Woodward, for the use of the traveling public.

That the benefits of the proposed road are in excess of any damages, if any, to the property owners affected thereby so no damages are awarded to the abutting property owners.

and we herewith return ~~the same~~ copy of the notices.
