REPORT OF HEARING

A Petition signed by 15 of the property owners having been presented to the Supervisors of Decatur Township, under the Act of May 1, 1933, Article 11, Section 1101, as amended, to ordain as a Township Road all that portion of public road in Decatur Township, hereinafter described, the time and place for hearing on such Petition was duly set.

Ten days written notice of the time and place of hearing having been given to all property owners affected by the proposal to ordain the portion of road in Decatur Township, beginning at a point on Township Route No. 670, near the residence of Lloyd Winters and extending in a westerly direction for a distance of eleven hundred (1100) feet to a point near the Pennsylvania Railroad, known as the Coal Run Branch, as a Township Road, such hearing was duly held at 7:00 p.m., EST, Monday, December 6, 1954 at

At the time and place of said hearing, there appeared Clair Mayhue, who testified that he was appearing as the representative of the 21 residents along the section of road described above and that such road was the only practical outlet for these residents and in his opinion, and in the opinion of the residents he represented, the ordaining of such public road as a Township Road was necessary for the public convenience.

No other witnesses appearing at such hearing, the Supervisors of Decatur Township, being familiar with the section of road under consideration and the conditions existing at that location, and having considered the testimony given at the hearing, are of the belief that such road being ordained as a Township Road is necessary for the public convenience and an ordinance to effect this result should be duly passed by the Supervisors of Decatur Township.
