

No. March 1868 *Term, 190*

Public Road in Brady Township
versus

Petition only

X

To the Honorable, the Judges of the
Court of Quarter Sessions for the
County of Clearfield

The petition of the un-
derigned citizens of Brady Township
in said County respectfully sheweth:

That a road was viewed and
returned for public use, leading from
Dressers Saw-mill to Union Tp. to a
point near Schoff's Bridge in Brady
Township - Your petitioners further repre-
sent, that the part of said road between
the Gelmette Road and Schoff's Bridge
in Brady Tp. is unnecessary, has never
been opened, and if opened would be
burdensome to keep in repair, without
any corresponding benefit to the citizens
of said Tp. They therefore pray the Court
to appoint suitable persons to view the
said part of above road, and report
to the Court as to the propriety of va-
cating the same; and they will
ask no more.

Petition of Citizens
of Brady Township
