As the remote residence of the applicant from your court precludes his appearance before you to sign the new certificate, he has been notified by the Bureau that as soon as he remits to you your fee, you will execute the new certificate and mail the original to him, and that he should sign it immediately upon receipt and retain it. Duplicate of new certificate, without the applicant's signature, should be forwarded to this office on the first of the following month with other naturalization papers. (As the Bureau has in its file duplicate of his old certificate, properly signed, it is unnecessary for the new duplicate certificate to be signed by the applicant.) Of course, if you have already received your fee for the new certificate, you may proceed in accordance with the foregoing without further delay.

The following information has been taken from the duplicate of the old certificate to assist you in making up the new certificate. The remaining data to complete the certificate will be found in your record.

Address when naturalized: **Grass Flat, Pa.**
Former subject of **Austria** ; Date of naturalization, **Jan. 14, 1910.**

The new certificate should be made out on the regular form, using the next blank certificate in your volume, on the stub of which should appear a notation as follows: Issued in lieu of (here insert old certificate number, as shown in the upper right-hand corner of this letter). ALSO ENTER THE OLD CERTIFICATE NUMBER IN THE MARGIN OF DUPLICATE OF THE NEW CERTIFICATE.

The actual date on which you issue this new certificate should appear over your signature as clerk of court.
