Dear Sir:

Authority is hereby granted for the issuance of a new certificate of naturalization in lieu of the certificate issued by your court to the person named below.

This new certificate should be made out on the regular form, on the stub of which should appear a notation to the effect that said certificate has been issued in lieu of certificate No. 125803. The stub of the old certificate should also have the number of the new certificate written upon it, together with the date of the issuance of the said new certificate.

The name and personal description of the person naturalized, as shown by the certificate on file in this office, is given below:

Name, Ely Chasin, June 17, 1910.
Age, 29 years; height, 5 feet, 7 inches; color, white; complexion, dark; color of eyes, brown; color of hair, black; visible distinguishing marks, none.

After this the original will be handed to the owner, and the duplicate returned to this office for its files. The receipt for the certificate will be obtained on its delivery and forwarded to you. If you have not already collected your fee for the issuance of this new certificate, and will transmit your bill for same, steps will be taken to secure it for you.

When you execute this certificate, you should give the address at the time he was naturalized, which information appears above.

The actual date on which you issue this new certificate should appear over your signature as clerk of court.

Prothonotary, Common Pleas Court,
Clearfield, Pa.

Dear Sir:

Authority is hereby granted for the issuance of a new certificate of naturalization in lieu of the certificate issued by your court to the person named below.

This new certificate should be made out on the regular form, on the stub of which should appear a notation to the effect that said certificate has been issued in lieu of certificate No. 125802. The stub of the old certificate should also have the number of the new certificate written upon it, together with the date of the issuance of the said new certificate.

The name and personal description of the person naturalized, as shown by the certificate on file in this office, is given below:

Name, Ely Chasin, June 17, 1910.
Age, 29 years; height, 5 feet, 7 inches; color, white; complexion, dark; color of eyes, brown; color of hair, black; visible distinguishing marks, none.

Address when naturalized, Clearfield, Pennsylvania.

The applicant resides at a remote distance from your court, which precludes his appearance before you for the purpose of signing the original and duplicate certificates as well as your stub record. You may, therefore, complete the new certificates with the exception of the signature of the person naturalized and transmit them to this office, when they will, in turn, be forwarded to the appropriate officer of this service to secure the signature. After this the original will be handed to the owner, and the duplicate returned to this office for its files. The receipt for the certificate will be obtained on its delivery and forwarded to you. If you have not already collected your fee for the issuance of this new certificate, and will transmit your bill for same, steps will be taken to secure it for you.

When you execute this certificate, you should give the address at the time he was naturalized, which information appears above.

The actual date on which you issue this new certificate should appear over your signature as clerk of court.

Very truly yours,

Commissioner of Naturalization.

Dear Sir:-

We have your letter of Sept. 1., 1913, in which you state that one Steve Drocack claims that his age was misstated in the naturalization petition of his father, Michael Drocack, No. 156 in your court.

The matter could properly be brought before the Court only upon a petition of the father, the original petitioner. The practice in such cases is for a petition to be filed setting forth the facts some time prior to the naturalization hearing. A copy should be sent to us and the case set for hearing at the next naturalization hearing.

In a case as old as this one, it should require very strong and indubitable evidence of the age of the son to warrant a court order permitting an amendment of the petition.

Very respectfully,

E. A. Bernhard

Prothonotary, Common Pleas Court,
Clearfield, Pa.

Dear Sir:

Authority is hereby granted for the issuance of a new naturalization certificate in lieu of certificate issued by your court to the person named below, whose present address is as follows:

Jacob Kibilka, c/o U. J. Parks, 222 Marquette St., La Salle, Ill.

As the remote residence of the applicant from your court precludes his appearance before you to sign the new certificate, he has been notified by the Bureau that as soon as he remits to you your fee, you will execute the new certificate and mail the original to him, and that he should sign it immediately upon receipt and retain it. Duplicate of new certificate, without the applicant's signature, should be forwarded to this office on the first of the following month with other naturalization papers. (As the Bureau has in its file duplicate of his old certificate, properly signed, it is unnecessary for the new duplicate certificate to be signed by the applicant.) Of course, if you have already received your fee for the new certificate, you may proceed in accordance with the foregoing without further delay.

The following information has been taken from the duplicate of the old certificate to assist you in making up the new certificate. The remaining data to complete the certificate will be found in your record.

Petition vol 2 page 42 ; Age, 43 ; Height, 5' 4" ; Color, white ; Complexion, dark ; Color of eyes, gray ; Color of hair, brown, ; Visible distinguishing marks, none.
Address when naturalized: Rosebud, Pa.
Former subject of Germany ; Date of naturalization, Jan. 13, 1911.

The new certificate should be made out on the regular form, using the next blank certificate in your volume, on the stub of which should appear a notation as follows: Issued in lieu of (here insert old certificate number, as shown in the upper right-hand corner of this letter). ALSO ENTER THE OLD CERTIFICATE NUMBER IN THE MARGIN OF DUPLICATE OF THE NEW CERTIFICATE.

The actual date on which you issue this new certificate should appear over your signature as clerk of court.

Very truly yours,

Richard K. Campbell
Commissioner of Naturalization.
