November 21st, 1925.

George W. Ralston, Esq.,
Prothonotary,
Clearfield, Penn'a.

Dear sir:-

We have your letter of November 2nd in reference to the naturalization certificate of John Nawreth, also form of affidavit prescribed by the U.S. Department of Labor. This affidavit is not drawn to fit the circumstances, which are briefly these: John Nawreth is a resident of Coalport, Clearfield Co, his wife is a resident of Akron, Ohio. They are not living together and have not lived together for some four or five years.

Mrs. Nawreth was a widow at the time of her marriage to John Nawreth, and had two daughters by her first marriage. One of her daughters is living in Akron Ohio, and the other resides in Germany. Mrs. Nawreth is desirous of bringing over this country her granddaughter, a child of her daughter now residing in Germany. She has already sent a ticket, but the immigration department of the Government has advised her that she cannot bring her granddaughter to this country for two years as the quota from Germany is full.

Mrs. Nawreth went to see the Congressman from Ohio, representing the District in which Akron is located. He instructed her to procure a naturalization certificate of her husband. She wrote to her husband for this certificate, and he informed her that he had lost the same.

Your affidavit seems to provide only in case of a loss of the certificate, but we understand that the wife of a naturalized citizen or any of his children would be entitled to a copy of the certificate; in fact they are required to have it in many instances such as proof of their citizenship where they want to vote.

You now have the facts and we would appreciate if you would advise us just what will be necessary. We are returning this affidavit, as we feel it is not what will be required, but Mrs. Nawreth will execute any papers that you suggest. Kindly advise us promptly as they are anxious to have something done.

Very truly yours,

STEPHENS, STEPHENS & GLASS.

Dear sir;

Will you kindly advise us as soon as possible whether or not you have a record in your office of the naturalization of John Nawreth?

His wife desires a copy of his naturalization certificate, and thinks he was naturalized in Clearfield County about 1908. She thinks October 8th of that year.

At that time he resided in Coalport. He sailed from Antwerp to New York about August 1, 1902 on the Croneland or Crownland. He formerly resided in Reckling-Hausen, Bruch, Germany.

If you have a record of the naturalization of this man, kindly advise us and the cost of a certificate.

Very respectfully,

Mr. John H. Moore,
Circuit Clerk, Clarefield, Co.
Clarefield, Pa.

Dear Sir:- About two years ago Mr. Vendel Golias at that time a resident of Clarefield County Pa., filed his declaration of intention of becoming an American citizen.

He informs me that it is necessary for him to appear in Court on three different occasions before he can obtain his naturalization papers.

I am not able to understand him in this, as I see no reason why he should personally appear there in order to get his naturalization paper. I believe that the matter can be satisfacterily arranged whereby Mr. Golias can complete the necessary formalities in this state, and become naturalized here.

Mr. golias states, that upon his leaving Clarefield Co. he left the delecration of intention that he had in hics possession at that time, with you.

He wishes to secure his naturalization papers in this County and we would kindly ask you to forward such paper if the same is still in you possession to me.

We will prebably be compelled to secure the proof of his residence in this country, through the depositions of witnesses in your County, and in such case would you kindly lend us yous assistance assuring you that you will be compensated for same, as Mr. goliash is very desireus of procuring his Citizenship papers.

Thanking you in advance for any favors that you may be able
