Dear Madam:

Your letter of September 6, 1940 states that you applied for final citizenship paper in July of 1939 under fee No. 6-79989, and inquires if you will be called for preliminary hearing in Clearfield in October.

You wrote a similar letter to us July 8, 1940. On August 30, 1940 we informed you that the application which you have submitted is not for final paper but is for first paper. We also informed you that this application had been completed, and that you were notified on March 6, 1940 to go to the Prothonotary's office at Clearfield to receive your first paper. Neither the notice dated March 6, 1940, nor our letter dated August 30, 1940 was returned to us by the postoffice, and we therefore presume that both were received by you.

Your papers are still in the Prothonotary's office at Clearfield, and you should go there any week day convenient to you and make your Declaration of Intention. The filing fee will be \$2.50. No witnesses are required. Take this letter with you for identification.

Very respectfully,

W. W. WIGGINS

If you have any contact with a Citizenship teacher that may cover Morrisdale, it will be appreciated if you will inform such citizenship teacher that she should make it plain to the applicant that she may receive her first paper by calling at your office.
