IN THE MATTER OF THE PETITION OF

William Masionis

Filed ....., 19....

325

U. S. DEPARTMENT OF LABOR
BUREAU OF NATURALIZATION
WASHINGTON

FILE NUMBER 2792-P-939

February 9, 1917.

Prothonotary, Common Pleas Court,
Clearfield,
Pennsylvania.

Dear Sir:

The records of the Bureau show that the petition for naturalization referred to below did not have a certificate of arrival of the applicant, obtained under rule 5 of the regulations, filed therewith and attached when executed, as required by section 4 of the law. You will, therefore, please mark the original petition "SPOILED" (see said rule 5). The number appearing on the petition should be permitted to remain, as a means of identification, and, under that number, should be accounted for upon your abstract of collections as spoiled. It should also be noted as spoiled on reports upon forms 2208 and 2209, unless such reports covering said petition have already been made.

The filing of a certificate of arrival is a jurisdictional requirement, and the applicant is entitled to file a complete petition upon the payment of $4. If payment of this sum was made when he appeared before you, he should not be required to make further payment for a complete petition, but the amount so paid should be applied in payment for a complete petition.

If the alien insists upon a judicial ruling, his petition under the decisions of the courts generally, should be dismissed by the court. Such a dismissal would require a final order, and the fee paid could not be credited or applied later to the filing of a valid petition by him. He would, under such circumstances, then be required to pay an additional fee of $4 upon filing a new and complete petition, with the certificate of arrival attached.

Information in the matter is being sent to the petitioner, with a view to his appearance before you, with witnesses, to file a new and complete petition, with certificate attached. Please do not file a petition for him, or for any other alien who arrived after June 29, 1906, until you have the necessary certificate of arrival in your possession. See rule 5 of the naturalization regulations, and the instructions appearing on form No. 2226, entitled "Request for Certificate of Arrival."

Petition No. 939; filed September 23, 1916; by William Masionis.

Certificate of arrival, in the name of Wikenty Masjonis and facts for petition are inclosed herewith.

Very truly yours,

Commissioner of Naturalization.
