NOTICE TO THE CLERK OF COURT:

The volume of Petitions for Naturalization forwarded herewith contains both the Original and the Duplicate petitions (formerly issued as loose sheets).

In front of the first petition in each volume there is a stub strip (or guard) provided for pasting thereon the declaration filed with that petition.

After filling in the Original and Duplicate petitions, the Duplicate is to be detached along the perforated line, thereby leaving a stub in the volume for pasting in the declaration which will be filed with the next petition.

If a certificate of arrival is also filed with the petition, it may be pasted on the stub just below the declaration.

The volume you have should be completed before beginning the use of the new book, and all petition blanks left over returned to the Department.

Very truly yours,

Richard K. Campbell
Commissioner of Naturalization.

IN REPLYING PLEASE REFER TO THIS FILE NUMBER

U. S. DEPARTMENT OF LABOR
BUREAU OF NATURALIZATION
WASHINGTON

10088/1621

March 31, 1917.

TO CLERKS OF COURTS
EXERCISING JURISDICTION IN NATURALIZATION MATTERS.

The Bureau has received numerous inquiries relative to the effect of declarations of intention, whether the law prohibits the filing of such papers or petitions for naturalization by natives of certain belligerent countries with which this country may engage in war, and the form of renunciation of allegiance at this time of natives of Russia.

It is not possible to afford definite information upon the subjects adverted to, but the following is brought to your attention for your information and appropriate action.

A declaration of intention of itself does not confer citizenship; it is merely a preliminary to a petition for naturalization, except that in some few states an alien declarant is permitted to vote and, in certain restricted conditions, the Secretary of State is authorized, in his discretion, to issue passports thereon, for limited terms, but not to provide protection in the country of nativity, and it is understood that passports upon declarations of intention are not being issued at this time.

The Department of State has advised this Department that it cannot, of course, state definitely in advance what effect declarations of intention to become citizens of this country, by those who may become alien enemies for a time, will have with regard to such restrictions as may be placed upon such aliens, although it has no doubt such declarations will be given due consideration.

With reference to the filing of declarations of intention or petitions for naturalization by natives of a country with which the United States may be at war, attention is invited to Section 2171 of the Revised Statutes, which will be found in the pamphlet containing the naturalization laws and regulations. It is the view of the Bureau of Naturalization that said section prohibits the actual naturalization of an alien enemy during the period of war with the country of his birth, but that it does not prevent the filing of a declaration of intention or petition for naturalization by such a person, even during the existence of a state of war.

The Department of State has expressed the opinion that natives of Russia who desire naturalization should, for the present, renounce allegiance, in naturalization papers and proceedings, to "The Present Government of Russia." The Bureau of Naturalization concurs in this opinion, and suggests that this form of renunciation be used until you receive definite advice from this office as to a different form of renunciation for natives of Russia.

RICHD. K. CAMPBELL
Commissioner of Naturalization.

Sir:-

Referring to your request for a certificate of your arrival in the U.S. you are advised that this office has been unable to verify your landing,with the information furnished,on the S.S.Kronprinzessen Cecilie or any other ship Feb.1906 or 1907. In view of the fact that you stated that you sent a draft for $65.50 to your father,Jan Durica of Hungary, one year after coming to this country, for which draft you produced a receipt dated May 5,1907, it is believed that you arrived before June 29,1906. Your declaration of intention,dated March 2,1909, is returned herewith for your use in filing a petition. As this declaration will expire by limitation March 2,1917 it is suggested that you appear before the prothonotary at Clearfield,Pa. with your witnesses before that date. If you are satisfied that you came to this country before June 29 1906 you should give the date of your arrival as nearly as you can before that date,as a certificate of arrival will not then be required. The receipt for money from the steamship agent at Cleveland, O., is also herewith returned.

INSTRUCTIONS TO COMMISSIONERS, NOTARIES, ETC.

Before the examination of the witnesses begins it should first be ascertained that they are citizens, and that they each have the required knowledge of the petitioner's residence, after which they should each be duly sworn to testify as to the truth, the whole truth, and nothing but the truth, in the matter of the said petition.

After the depositions of the witnesses are taken and reduced to writing, the same should be carefully read to the respective witnesses, and when a witness has assented to the truth of his respective answers as recorded, he will then sign his name at the bottom of his own deposition and swear to the truth of the same before the commissioner or notary. This oath is in addition to the preliminary oath which is administered previous to the commencement of his examination.

As soon as the depositions have been taken, reduced to writing, signed, and sworn to by the respective witnesses, and the certificate duly made by the commissioner or notary, the depositions together with the cover sheet (Form 2220) should be inclosed in a suitable wrapper or envelope and securely sealed by the commissioner or notary, who will write his name transversely across the seal. The commissioner or notary will also indorse across one end of the envelope or wrapper the title of the proceeding and the nature of the papers inclosed.

The package thus sealed and indorsed should thereupon be transmitted by mail to the clerk of the court wherein the petition is pending.
