Dear Carl:

I am writing to you in your capacity as Attorney for Clearfield County Vocational Technical School.

I represent Judith S. Schell who advised me that she attended a meeting which was described as a job evaluation on or about February 15, 1999, and you were present at this meeting.

In this connection, I am enclosing a Release directed to Clearfield County Vocational Technical School signed by my client, Judith S. Schell, authorizing the school to release copies of any and all records they have concerning her.

I would appreciate it if you would send me the following:

1. Copies of all documents concerning the meeting held on February 15, 1999 involving Judith S. Schell; and
2. A complete copy of her personnel file.

I will, of course, be happy to reimburse you for the cost of these copies.

RE: Judith S. Schell

Dear Carl:

I just wanted to confirm our telephone conference today, January 28, 2000, at which time I asked whether you were going to respond to my earlier letter to you dated January 13, 2000 concerning my client, Judith S. Schell?

You indicated that you had forwarded it to the School District and that you were putting the various papers together, including the notes of the meeting in February, and that I would hear from you one way or another.

Thank you for your kind cooperation. I look forward to receiving your response concerning my client, Judith S. Schell.

Sincerely yours,

Joseph Colavecchi

In Re: Judith S. Schell

Dear Carl:

This is in reference to my earlier correspondence to you and our telephone conference, confirmed by letter dated January 28, 2000, that you were going to get back to me. As of this date, I have heard nothing further from you.

I definitely want copies of my client's files. I understand that she has three separate files, and I know that she is entitled to receive copies of all of her files.

Will you please respond by return mail as to whether you are going to instruct the school district to give me copies of the files or do you want me to deal directly with the school district?

I would appreciate hearing from you one way or the other. There certainly is no reason to delay turning over copies of the files of Judith Schell to me as her attorney or if you prefer, I can have them picked up by her.

Thank you once again for your kind cooperation. I realize you have a lot of alligators snapping at your heels. Certainly the request for my client's files can be nothing more than a pussy cat licking on the soles of your shoes.

Sincerely yours,

Joseph Colavecchi
